ISPUTE OVER FEDERAL FARM BOARD

NT'L BANKING PLAN IS SOUND, SAYS TRAYLOR

PERIL TO ECONOMIC WELFARE ONLY FANCIED

BY DAVID LAWRENCE

(Copyright 1930, by the Escanaba Press)

Washington, April 30—An unusual speech was made here last Monday night. Two men intimately identified with the organization of the Bank of International Settlements sat in the presence of two members of the Hoover administration which has declined to participate in the operations of the bank and gave to an assembled group of several hundred members of the International Chamber of Commerce a picture of what was contemplated by the new institution.

Owen D. Young, author of the Young plan, introduced Melvin A. Traylor, president of the First National Bank of Chicago, who has just returned from the conferences abroad at which the international bank was set up.

Mr. Traylor aimed his speech plainly at those who fancied they saw danger to the economic welfare of this country in the organization of the bank. One by one he took up the objections and either argued that they were baseless in fact or else that they had been misunderstood on this side of the Atlantic. When he had concluded Mr. Traylor was greeted with a spontaneous outburst of applause.

Some of the interesting observations made by Mr. Traylor were that the federal reserve bank of New York while not a participant in the management of the international bank nevertheless possessed a strong veto power with respect to any transaction affecting the United States. He declared that notwithstanding America's declination to allow the federal reserve board to name directors of the new bank, as has been done by the central banks of six other countries, two Americans had been named by the American banking groups and that the federal reserve bank of New York has the right to object just the same.

Not Dangerous, Claim

Mr. Traylor argued that the new bank is relatively small in that it probably never will have capital outstanding of more than twenty-five millions of dollars and that it did not as has been reported, have the right of issue and that it could not itself float any securities.

As he outlined the banks function it could not possibly deplete gold reserves or do anything which would destroy the financial stability of any country because he declared nothing could be done except by unanimous consent and the directors of the new bank will be representing the central banks respectively of six different countries. He said it was inconceivable that the growth of world trade and economic relationships anything would be done by the bank directors which would be injurious to the financial stability of any country.

"I believe," he said, "that if

Give Hoover Chance To Work Debenture, Western GOP Asks

Washington, April 30 (AP)—On the eve of the opening of house debate on the tariff bill conference report, a western Republican arose and in that body today and urged that President Hoover be given a "fair and full chance" to carry out his pledge to assist agriculture without the export debenture plan.

The speaker, Representative Ramseyer, of Iowa, drew a reply from Representatives Jones, Democrat, Texas, who contended various domestic industries, principally iron and steel, already were receiving federal bounties in low freight rates on commodities for export.

The exchange was preliminary to a revival of the old contest over the debenture tthat originated with the offering of the Republican farm relief bill last spring.

The senate twice wrote the debenture into that measure, over the protest of President Hoover, but receded finally after the house turned it down by a big vote.

PREPARING FOR MAY DAY FETES

European Police Not To Tolerate Communist Disorders

London, April 30. (AP)—Preparations for toning down the reds and pinks and other clashing hues which are expected to dominate the May Day celebrations throughout Europe tomorrow have been made by police and troops in various capitals.

In general the communists, socialists and laborites will be permitted to march and speak as long as the meetings are orderly, but warnings have been broadcast that any disorder will be met by vigorous action.

The most peaceful of all European celebrations is expected in London although as usual extra police will be placed on the Embankment and other prominent thoroughfares.

Paris police took the view that anything might happen there and ordered thousands of troops and police to be under arms by daybreak. Authorities were confident any sizeable eruptions could be prevented.

Airplanes will fly over Paris to spot any unusual gathering and notify police. The troops will remain principally in their barracks, but thousands of other

League of Women Voters Reelect Present Chieftain

Louisville, Ky., April 30 (AP)—True to a long tradition of holding tenaciously to one woman leader, the league leader, the League of Women Voters today set its slate for re-election of Miss Belle Sherwin, for six years president.

Miss Sherwin, only speaker and feted guest at tonight's session, was presented with a hand-tooled "anniversary book" and tendered the ovation resulting from quiet circulation among the deelgates of the news that she would again accept the office.

Miss Sherwin's address summarized ten years of accomplishment, maternity and infancy legislation, women's naturalization and citizenship acts, child labor laws—and called upon the women voters to face the next decade "in the spirit of adventure."

She went over the legislative program recommended at today's opening business session.

If adopted in succeeding sessions as recommended, the league's comprehensive program will include: international armament reduction as agreed upon in London; world court; government operation of Muscle Shoals; simplification of state and federal administrations; re-enactment of the maternity and infancy bill; and parity between sexes in immigration and naturalization laws.

Lindy Will Start Back Home Today

Miami, Fla., April 30 (AP)—Colonel Charles A. Lindbergh will start the return trip of his circle-splitting flight between the Americas tomorrow, hopping off from Cristobal, Canal Zone, on a two day aerial voyage to the United States, officials of the Pan American Airways said tonight.

Leaving Cristobal with the first air mail to be sent north from Buenos Aires under the seven day Buenos Aires-New York schedule, the flying colonel is scheduled to arrive at Porto Cabezas, Nicaragua, at 12:30 p. m. E. S. T. He plans to remain there tomorrow night departing for Havana and Miami early Friday morning

TO CONSIDER LONDON PACT IMMEDIATELY

FRIENDLY ATTITUDE TOWARDS TREATY ASSURED

Washington, April 30 (AP)—Assurance of a "friendly attitude" to the London treaty and of speedy consideration of it was given Secretary Stimson today by Chairman Borah of the senate foreign relations committee at a conference at the capitol.

Mr. Stimson who was the head of the American delegation to the London parley called on Senator Borah shortly after he formally turned over the treaty to President Hoover. Mr. Hoover intends to send the pact to the senate for its ratification immediately.

Hold Conference

Senator Borah and the secretary of state were closeted together for more than an hour discussing the treaty. Asked about the conference, the foreign relation committee chairman said:

"All I care to say is that if the treaty comes in I seek to have it considered and passed upon by the committee as speedily as the importance of the matter will permit. Of course those who want to be heard must have an opportunity to be heard. It is an important treaty and should have careful and deliberate consideration but I do not assume that there will be any attempt at delay. My own position is one of a friendly attitude but I want to hear all about it."

The treaty was formally laid before the president at a White House ceremony attended by Secretary Stimson, Senator Robinson of Arkansas and Secretary Adams, members of the American delegation.

Immediate interest had focused upon the senate where the fate of the treaty will rest. Friends of the pact are confident of its ratification and looked hopefully

Pays $150 Fine, Cruel to Animals

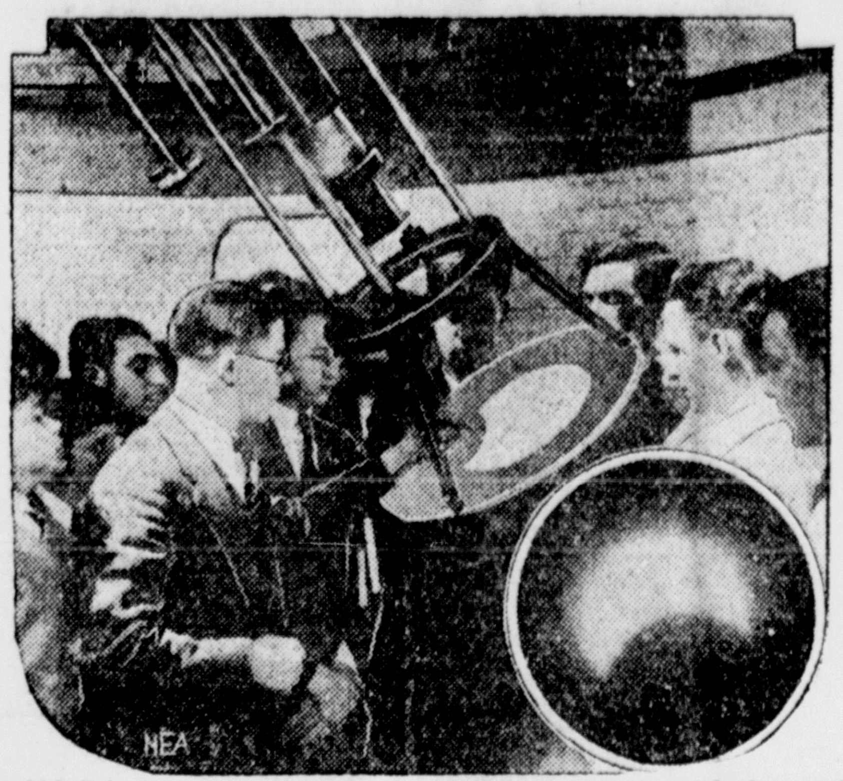
Charlotte, Mich., April 20 (AP)—Justice John C. Nichols, of Grand Ledge, today sentenced to pay a fine of $150 including costs or a 90-day jail term when he was found guilty by a circuit court jury on a charge of cruelty to animals. The case, which was an appeal from justice court, was in connection with the death of nearly 80 head of livestock by starvation and exposure on the justice's farm. The jury found him guilty after deliberating more than six hours.

Plan to Build New State Insane House

Detroit, April 30 (AP)—Plans for the construction of the new state mental disease hospital near Ypsilanti were approved by Governor Fred W. Green today at a meeting of the state hospital commission here.

The program is designed to cover two years with expenditures of $1,000,000 each year. Bids for the construction work will be opened at Lansing at 2 p. m. May 22.

AS MOON BLACKENED OLD SOL'S EYE



Old Sol, fiery bachelor of the sky, looked like an unlucky pugilist with a discolored eye when the moon swept across his path, causing a partial eclipse, visible throughout the United States, and a total eclipse, seen over a narrow strip of the northwest. Students are shown above at Columbia University observing the eclipse as it was reflected on a cardboard through the lens of a huge telescope. A photograph of the eclipse as seen from New York is shown in the inset.

Discover Hole Dug By Convicts Leading To Ohio Warden's Home

Columbus, O., April 30. (AP)—Ohio National Guard officers, in making a routine inspection of White City in Ohio penitentiary tonight discovered the beginning of a hole which was being dug in the wall leading to Warden P. E. Thomas' residence.

The officers came upon the hole and a three and a half foot crow bar in the basement of the prison.

Diggers had succeeded in cutting through six inches of concrete, the officers reported. It is thought, however, that they would have had to pierce a layer of steel further in their work.

The guards could not say how long ago the diggin had begun.

Crow Bars Found.

In cell number 251, the guards also found that a wash basin had been torn from the wall. This made an opening through which they said they believed the prisoners hoped to reach the lower ranges. At this job the guards reported it appeared as though some drilling had been done. The apparatus, however, was not to be found.

Several crow bars were found in different parts of White City. Colonel Robert Haubrich, in charge of the Ohio National Guardsmen on penitentiary duty, went into White City to inspect the hole his men reported. He announced that 400 soldiers would be placed at different points within the walls of the prison tonight. Of these 150 will be used to guard 610 prisoners in the wire stockade thrown up in the prison yard. He said 150 guards would be placed outside to watch the walls.

DISCIPLINE RULES.

Columbus, O., April 30. (AP)—Enforced by the strong arm of military rule discipline prevailed in Ohio penitentiary tonight for the first time since the fire that claimed the lives of 320 convicts on Easter Monday.

The rebellion of 1,300 prisoners in the idle house, which culminated yesterday in a futile attempt to gain liberty through the guard-room door was broken completely. Under the business-like command of Ohio National Guard officers all outward signs of revolt disappeared.

A barbed wire stockade erected on the prison recreation field was rapidly being furnished with tents. The officials began herding the unruly convicts into this enclosure so that the damage they wrought in the idle house might be repaired. When that is finished, the prisoners again will be safely placed in locked cells.

Late today 800 convicts were marched into the stackade while hundreds of National Guardsmen stood ready to maintain order.

The next step in restoring complete discipline will be the reopening of the prison workshops, according to Colonel Robert S. Haubrich, in charge of the prison. For more than a week the convicts have refused to return to work.

Another Ingham Co. Deputy Dismissed

Lansing, April 30 (AP)—Dismissal of Deputy Floyd Grubaugh as the third party to be involved in a shakeup of the Ingham county sheriff's department was announced today. No explanation was offered by Sheriff Hugh Silsby for his action in requesting Grubaugh's resignation. The latter was given a letter of recommendation by the sheriff.

Deputies Edward W. Barber and Ben Dufree were ousted last week as the first of the sheriff's personnel to leave office. Deputy Grubaugh said today he would welcome a hearing on the matter.

SENATE VOTE EXPECTED ON PARKER TODAY

DEBATE ALL DAY ON NOMINEE; STILL DOUBTFUL

BY FRANCIS M. STEPHENSON, (Associated Press Staff Writer)

Washington, April 30 (AP)—Another day of debate brought a vote nearer in the senate today on confirmation of Judge John J. Parker, of North Carolina, to tse Supreme court but leaders of both sides still were doubtful tonight of the final result. A vote tomorrow is in prospect.

Two Democrats joined the opposition in the day's round of oratory—Senator Wagner, of New Yorn, and McKellar, of Tennessee, assailing Parker's qualifications. Two Republicans—Senators Hastings, of Delaware, and Hebert, of Rhode Island—carried on the fight for the nominee.

Drive By "Socialists"

Again from the Republican side came the charge that the campaign against Parker was actually a drive by the "Socialists" and Liberals against the independence of the Supreme court.

The Democratic foes answered with denunciations of Parker's record, particularly his decision upholding the injunction restraining the United Mine Workers from soliciting membership among miners who had signed contracts not to join the union.

Senator McKellar countered the charge of politics with the reading of a letter written by Joseph Dixon, assistant secretary of the interior, to Walter Newton, executive secretary to President Hoover, urging the nomination of Parker as a "major political stroke."

This letter dated last March 13, called to attention that North Carolina went Republican in the last presidential election and said "if the exigencies of the situation permit I believe the naming of Judge Parker to the Supreme court to be a major political stroke."

Confirmed in Part

Senator McKellar said he did not contend that President Hoover was influenced by the letter but he said he did not want to hear the charge of politics in the senate from friends of Parker in the face of it. Senator Overman, Democrat, North Carolina, the chairman of the sub-committee which investigated Parker, said the letter was not before his

(Continued on Page Two)

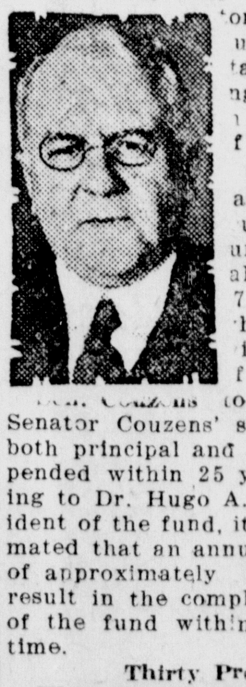
Fruits Suffer by Freezing Weather

Grand Rapids, Mich., April 30 (AP)—Dr. R. V. Gardner, head of the horticultural department of the Michigan State College, announced today that fruit crops in the Grand Rapids region have suffered heavy losses as a result of the freezing weather of last week.

Reports gathered here from field specialists and other authorities revealed that the damage was most serious south of Grand Rapids and Hart. A warning has been broadcast to apple growers. Preliminary reports stated that 90 per cent of the McIntosh apple buds were dead and that other varieties also suffered serious injury.

First Annual Report of Couzens' Children's Fund Is Issued; $770,979.31 Has Been Spent

Detroit, April 30 (AP)—The children's fund of Michigan, created by the $10,000,000 gift of Senator James Couzens, concluded the first year of its activity tonight with ublication of a tatement showing its activities various parts f the state.



Couzens

During the ast year the ustees of the und spent a total of $770,79.31, a sum hich is in line ith the efforts f the trustees to comply with Senator Couzens' stipulation that both principal and interest be expended within 25 years. According to Dr. Hugo A. Freund, president of the fund, it has been estimated that an annual expenditure of approximately $700,000 will result in the complete exhaustion of the fund within the specified time.

Thirty Projects

Working under the defined purpose of the fund to "promote the health, welfare, happiness, and development of the children of Michigan primarily, and elsewhere in the world," the trustees of the fund have made expenditures for 30 different projects, plans to start others are being considered by the officials of the fund.

The work of the fund during the past year groups itself primarily under the heads of demonstration, research, aid of established agencies and the setting up of agencies in indigent districts. An effort has been made to show communities the value of certain child health work and to encourage investigation in promising undertakings.

Among the more prominent of the fund's activities has been the county child health demonstration carried on at Menominee under the direction of Dr. Merrill E. Champion. This project has called for an expenditure of $22,560. The trustees have authorized $17,800,000 for a similar demonstration in the lower peninsula.

Another project has been the consolidated health units established at a cost of 33,600. In this work it has been the policy to group certain counties lacking adequate financial resources for the carrying on of health work and to set up such units for them.

The first of these consolidated units was centered at Grayling to serve the counties of Roscommon, Kalkaska and Missaukee. The second centered at West Branch and included the counties of Ogemaw, Oscoda, Alcona and Iosco.

Trustees of the fund established a county nursing program for localities without public health services. A number of counties were supplied with nurses for a limited number of years. Such work has been undertaken in the counties of Alger, Otsego, Montmorency, Lake, Newaygo, Van Buren, Shiawassee, Isabella, Menominee and Gladwin counties as well as those counties in the consolidated health units. Special nurses have been sent to Houghton, Mackinac and Mecosta counties to give pre-natal instruction. Similar work is contemplated for Osceola, Benzie and Antrim counties. This work called for an expenditure of $45,000.

The fund also undertook to set up clinics, health education services, classes in infant and prenatal care, county dental programs, dental clinics and enlarge the facilities of the dental division of the Children's Hospital of Michigan at a total cost of $224,700. Included in this group was the northern Michigan children's clinic destined to serve the children of the entire upper peninsula. Cooperating in this work are the trustees of St. Luke's hospital, Marquette, the University of Michigan and upper peninsula physicians.

Appropriations of $57,000 were made for research in the University of Michigan dental school, the Yale institute of human relations and orthodontia study.

The fund also has contributed to a survey of child dependency being made by the Child Welfare League of America, to the Michigan Children's Aid society, and to the Otter Lake Billet of the American Legion. Funds were turned over for a child boarding project in Muskegon county as an approach to the problem of juvenile delinquency.

Various other works of the fund during the past year included the Dr. Alfred Adler clinics, an appropriation for a mental hygiene clinic at Grand Rapids children's libraries, fresh air camps and child recreation projects.

CONVICTS' CHOICE

J. C. Woodward, above, deputy warden at Ohio State Penitentiary, has been in charge inside the walls since the disastrous fire in which 321 convicts died. Convicts, clamoring for Warden Preston E. Thomas' removal, urged appointment of Deputy Woodward as his successor.

PLAN EXPANSION OF U. P. AIRWAYS

Airmail May Be Carried By Local Concern If Plans Materialize

At a directors' meeting of the Upper Peninsula Airways, Inc., it was announced that the company had acquired from the I. Stephenson company of Wells, the land east of the old state road across from the land now owned by the Airways and extending northward 48 acres south of the Wells school. With the acquisition of this land, the Airways can construct a two-way runway.

At the present time, there is only one runway at the airport, that running north and south. An east and west runway will be built immediately, Manager Wescoat has announced.

The city council closed the road near the airport in Wells township previously and passed a resolution to close the entire road as soon as the new road now being built has been opened for traffic.

The field at the airport now has a total of 185 acres and a north and south runway 5100 feet long. After the east-west runway has been built, plans will be enacted to place the Airways in a position so that they will be able to carry air-mail in this territory if they receive the government franchise. A bill passed by congress and signed by President Hoover this week assures a wider development of air-mail in the country, practically giving assurance that a regular schedule will be adopted in the northern peninsula.

Negotiations are being made whereby the power lines which obstruct aerial traffic at the airport would be removed and it is believed favorable action will be received on this proposal soon.

Canadian Liquor Taken Daily To U. S. by Airplanes

Detroit, April 30 (AP) — The Free Press says that for the past two weeks a licensed air freight line with six planes has made daily trips to the United States from Walkerville, Ont., with capacity cargoes of liquor.

The exportation has been carried on under the supervision of Canadian customs officers, the paper says, in accordance with a recent ruling of the provincial government that licensed airplanes may be used by liquor exporters.

Duncan B. McColl, manager of the corporation controlling the Walkerville airport, was quoted as saying that liquor exporters bring the freight to the field in trucks to be loaded into planes.

Two Men Held For Stealing Booze

Detroit, Mich., April 30 (AP)—Two men arrested here today and identified as the bandits who held up a Windsor, Ont., government liquor store Monday, were being held by the United States immigration officials on the strength of their statements that they had been smuggling aliens into this country.

They gave their smuggling operations as the explanation for possessing around $500 each in Canadian money.

The men, Thomas St. Clair of Toronto, and William McCrea, of Windsor, were identified by three witnesses of the liquor store robbery, in which $4,000 was taken. It is expected that they will be returned to Windsor to face robbery charges when immigration officials complete investigation of their purported smuggling operations.

ACTIVITIES OF GROUP SCORED AT C-C MEET

TURBULENT SESSION AT ANNUAL MEETING

Washington, April 30 (AP)—A dispute over the work of the federal farm board swept over the annual meeting of the Chamber of Commerce of the United States today in a turbulent session in which business men bitterly denounced the activities of the board and its defenders stood squarely behind their guns in staunch resistance.

Crowded Debate

In it there crowded close upon one another references to "wild men of the senate" by Secretary Hyde, a denunciation of the farm marketing act by Daniel Millett, a Denver stockman and banker; a challenge to business men by Chairman Legge of the farm board to back their criticisms with money, and a later acceptance of this challenge by Julius Barnes, chairman of the National Business Survey Conference.

Entering the debate unexpectedly, Representative Fort, of New Jersey, who, as a member of the house agriculture committee helped frame the agricultural marketing act which established the farm board, asserted congress would "stand by" its handiwork.

Previously, a long list of representatives of various industries had condemned both the board and the act as placing the government in competition with business, as undermining private initiative, and as operating contrary to economic law.

The debate was opened by Chairman Legge. In defending the board he criticized the chamber of commerce of having failed to take action "to improve the farm situation after voting overwhelmingly in favor of the principle of co-operative marketing."

Replying, Millett attacked the farm board and the marketing act as "a fantastic dream of stabilization." He asserted the marketing and distributing businesses "properly fear the working of this act," and charged the farm board under it presented a "glaring inconsistency" in advocating decreased production. The board's activities, he said, were an "interference with the law of economic supply and demand."

Defends Board

Secretary Hyde entered the debate with an impromptu defense of the farm board. At the outset he asked members of the chamber to "take a look at the wild men over in the senate and view the rising tide of discontent."

He said the farm board "does not expect to peg prices" and has made no attempt to do so.

The mistake made by the board,

(Continued on Page Two)

Negro Patient Runs Amuck, Kills Two

Columbus, O., April 30 (AP)—A negro patient at the Columbus state hospital for the insane killed two white patients tonight and later was himself killed in a struggle with attendants.

Ambrose Moss, 31, admitted to the institution today, was the slayer.

The victims were Sylvester Shannon, 27, of Flushing, and Frank T. Wilson, 52, of Cambridge.

The two white men were struck by a small stand table. Both suffered fractured skulls. Moss' neck was broken when he resisted the attendants.

Moss appeared docile early in the evening and was placed in a room with the other men. Later, hospital officials said, he leaped from his bed, seized the table and attacked his room mates, both of whom were admitted during the past week.

The cries and the sound of the scuffle brought attendants to the room, too late to prevent the killings.

Moss twice previously had been a patient in the hospital.

2 Gambling Houses Ordered Shut Down

Detroit, April 30 (AP)—Two Wayne county gambling establishments ceased operations today after Governor Fred W. Green had issued orders to Richard Elliott, head of the state police, that they be closed without delay.

The establishments, known as Lefty Clark's and Danny Sullivan's, were turning away customers tonight nor was any hope held out for early resumption of business.

The governor had promised that the places would not be operating tonight.

The Clark establishment is at Ecorse and the Sullivan's place in Grosse Pointe.

OPPOSITION TO SPECIAL MEET

Congress Session Would Rush Action On Law Enforcement

Washington, April 30 (AP)—A suggestion to President Hoover today by Senator Jones, Republican, Washington, that a special session of congress be called unless the law enforcement program is enacted, drew quick opposition at the capitol where Senator Watson of Indiana, the Republican leader, turned thumbs down on on the proposal.

At the same time hope was held out by Watson and other congressional leaders that this session would see final action on the Hoover program, including enactment of the bill transferring prohibition enforcement from the treasury to the justice department.

Urges Session

Chairman Norris, of the senate judiciary committee, said he expected little opposition to passage of bills to transfer prohibtion enforcement and to provide for building more federal prisons, and that he thought the proposal to consolidate border patrol operations under one department would be passed.

Passage of this part of the Hoover program would leave unacted upon the proposals to relieve court congestion and to establish a prohibition enforcement law for the District of Columbia.

Senator Jones, a militant dry and author of the "five and ten law" increasing penalties for prohibition law violations said he urged the president to call the special session the day after the present one adjourns if the law enforcement measures have not been acted upon.

TO CONSIDER LONDON PACT IMMEDIATELY

(Continued from Page One)

upon the conditional support given it by Senatotr Borah.

Expect Approval

However, Senator Borah and Senator Johnson of California the ranking Republicans on the foreign relations committee and Chairman Hale of the naval committee are demanding full considerations on it and hearings upon it.

Considerable significance was attached to the first public statement by Senator Robinson upon his return to the capital in which he expressed the view that it could be "wholesome" for America to build up to its full naval strength allowed under the treaty.

With this assurance, there is reason to believe that a number of the so called big navy group will look upon the pact favorably.

Green Okays First Parole for Lifer

Lansing, April 30 (AP)—Governor Green today granted his first parole for a life term prisoner. He ordered the release of Charles Cashmore, sentenced in 1914 from Battle Creek for murder. The guilt of Cashmore was clouded with doubt. He professed innocence throughout his trial and since. Clemency was recommeded by the trial judge, the prosecuting attorney and police officers. The governor has commuted the sentences of two lifers, but Cashmore is the first to be released on parole.

Justice Walter H. North, of the supreme court, who tried Cashmore, Robert Kirschman, former prosecutor, Chief of Po-
gh Gordon and Captain
McDonald, of the Battle
police department recom-
parole.

crime charged against
re grew out of a drunken
n which Lillie Campbell
led. Petitions filed with
L. Wood, commissioner of
and paroles, stated that
was grave doubt as to
re's guilt.

o Undersheriff On Witness Stand

Grand Rapids, Mich., April 30 (AP)—Undersheriff Walter Upson of Kalamazoo county, took the stan din federal court here today and denied charges the government has made against himself, Sheriff Jerome Borden, and four other officers alleged to have conspired against the prohibition law.

Upson spent the entire morning on the stand. He denied he had ever accepted protection money or that he was addicted to liquor. He also branded as false the story of Fred Cook, roadhouse proprietor, that he had paid the officers protection money. Upson said he had aided in arresting Cook on several occasions.

Upson next attacked Harry Rice's story that there was a working agreement between Rice and Sheriff Borden. He said his superior officer had warned Rice that the sale of liquor at the roadhouse he operated would result in arrests.

The undersheriff also asserted that neither he nor any of the officers had ever tipped off places where they intended to make raids.

A method for launching lifeboats along tracks built on the side o a ship has been developed by a Milwaukee resident.

BRIEFLY TOLD

Leaves for Lansing—Superintendent R. E. Cheney left yesterday for Lansing, where he will confer with officials of the state department of public instruction regarding the construction of the new junior high school building here.

* * *

Conucil Meeting Postponed—Due to the absence of two members of the Escanaba city council, the regular meeting scheduled for tonight has been postponed, and will be held on Tuesday evening, May 6, instead.

* * *

Will Build Home—A building permit has been issued to George Beil for the construction of a new dwelling on Lake Shore Drive near the tourist park.

* * *

Prevent Noises—Defects in the joints of street car tracks, recognized as a source of noises which affect radios, are being repaired by the Escanaba Power and Traction company. This work was one of the things recommended in the recent survey of dario disturbances.

* * *

New Dance Orchestra — The Lonely Troubadors, a new dance orchestra, has recently been organized by Kenneth Thompson. The band will consist of seven pieces including the following players, besides the leader: Kenneth Peterson Wallace Davis, Donald Norvall, Bill Cook, Theodore Menard and Junior Menard.

* * *

4-H Work Done—The 4-H club activities of the Ford River Mills school have been completed, including second year cooking and first and second year handicraft. Mrs. Jewell Maigetter is instructor at the school.

Joseph Turner, county agent, Clare Rood and Mrs. Shane, club leaders, will visit the school today to see the results of the work. Today and tomorrow are exhibit days at Ford River Mills school and everyone is invited to attend.

* * *

Dance at Coliseum—The Escanaba Woman's club extends a cordial invitation to the public to attend the May party to be given Friday night at the Coliseum, with the Wolverine orchestra playing. The proceeds are to be used toward the scholarship fund. Mrs. W. P. Schuldes is chairman of this social affair.

* * *

At Webster School—Dr. J. B. Collins, dentist of the Michigan Child Welfare Fund, has completed the work of examining the teeth of students at the Barr kindergarten, and is now engaged at the Webster school. He will remain at the latter school until the end of the week.

* * *

Women's Auxiliary, St. Stephens—The Women's Auxiliary of St. Stephen's church will meet Friday afternoon at the home of Mrs. Charles Schraeder, North First avenue. This is a regular business meeting in which delegates will be elected to attend the annual diocesan convention which will be held at Sault Ste. Marie, June 9 and 10. All members are requested to make a special effort to attend.

ACTIVITIES OF GROUP SCORED AT C-C MEET

(Continued from Page One)

he said, was the same one a banker makes when he loans too much. He said everybody believed last fall that wheat would go anywhere from $1.40 to $1.60, and that the "grain trade believed it because it bought two-thirds of the crop at that price."

Barnes, the last speaker, accepted the challenge from Chairman Legge to raise money from business for what he described as "a complete survey of the farm situation," and challenged statements by the farm board leader that the chamber had failed to back its pledge of co-operative marketing.

He said the chamber had not aided the farm board because of the belief that it was "not sound lines to try and undermine private initiative and motive power."

The business survey chairman said he believed a "great marketing structure was being steadily undermined" by present policies.

Find Nurse Guilty Of Manslaughter

Lansing, April 30 (AP)—Mrs. Elizabeth La Panne, a nurse, charged with manslaughter for the death of Edna Purdy, was found guilty today by a circuit court jury. She will be sentenced Saturday. The charge grew out of an alleged illegal operation sometime ago by the nurse.

Arabian horses are of two types, the Kadischi, whose origin is unknown, and the Kochlani, of which genealogies exist dating back for 2000 years.

WET, DRY ISSUE POPS UP AGAIN

Person Answers Charges That Funds Are Sought To Defeat Hudson

BY GILBERT T. SHILSON,
(Ass'd Press Staff Writer)

Lansing, Mich., April 30 (AP)—The wet and dry issue in the Sixth district contest for the Republican congressional nomination sprang into prominence again today when State Senator Seymour S. Person, who is opposing Congressman Grant M. Hudson replied to charges that a huge fund is being raised to beat Hudson.

Person asserted that he knows nothing of any fund, and added that he has the impression the Anti-Saloon League would make even more lavish expenditures to defeat him.

Hudson is recognized bone dry. Person is a self-styled Liberal, although he insists prohibition is not an issue. Congressman Louis H. Cramton, also a dry, recently charged that $75,000 is to be spent in the Sixth district to oppose Hudson.

"I noticed a demand by Louis Cramton for a congressional investigation of expenditures in the primary election in the Sixth district. Cramton apparently suggests that some $75,000 has been raised from some source unnamed by him to defeat the Hon. Grant M. Hudson, Person stated.

"Up to date I had labored under the impression that a fund as large or larger, contributed by an organization known as the Anti-Saloon League would be used against me. Of course, I knew and know now that the Hon. Grant M. Hudson has had no visible business or employment other than his connections with the Anti-Saloon League and similar organizations, except the short time he was on the industrial accident board for some 20 years or less. I had supposed that he had unlimited access to the large money tills of these organizations for campaign purposes, so I had been thinking that unlimited moneys from those sources would be thrown in the Sixth district against me.

"Then I knew Cramton intimately some 20 years ago at which time he was secretary for the old railroad commission, he appeared to be neither dishonest nor a coward. I therefore, assume that he has been misled into believing that the fund mentioned by him to defeat Hudson exists.

"Those that know me well in my home community during my experience with the state politics for some five terms in the house and senate, known that I have never spent money and have always financed my, own campaigns."

Marquette Outlines Rotarian Reception

The Marquette Rotary club is making extensive preparation for the entertainment of the annual tenth district Rotary conference in that city, May 19 and 20.

The Marquette club has given two governors to the district, James Kaye and Harlow Clark. It was one of the first clubs in the world to be organized in a community of less than 25,000 population.

It is believed that Marquette hotel accommodations will be ample for the conference. If necessary, Negaunee and Ishpeming hotels will be utilized. A fleet of Pullmans will be parked on the South Shore railway premises to take care of any overflow from hotels.

Throat Cut, Turin Man Is Improving

Herman Peterson, aged 40, who attempted suicide Sunday night near the home of his brother, Alex Peterson, ten miles east of Turin in Marquette county, is reported to be improving at St. Francis hospital where he was taken after being found in a critical condition about one o'clock Sunday morning.

When he was admitted to the hospital his wind pipe was almost severed by deep cuts, self inflicted while temporarily insane.

He had used a sharp instrument and had cut the judglar vein and several small veins and the windpipe. Local surgeons performed a very delicate operation. He was unable to talk for several hours but is now able to speak out loud. That he is recovering is considered miraculous as his condition when admitted was critical.

PREPARING FOR MAY DAY FETES

(Continued from Page One)

forces will be hidden in subways, courtyards and sidestreets ready to rush critical points.

24 Hour Strike.

As to prepartions on the other side, the communist organ L'Apostrophe promised a 24 hour strike of thousands of workers. It is expected that hardly any taxicabs will be running, while service by bus and street car is expected to be limited.

In Berlin the police decided to let the proletarian blow off steam as long as they are orderly, but forces of the law will be standing ready to see that the bounds of peaceful demonstration are not overstepped.

Russia, the seat of communism, has made plans for a big day. The streets were decorated today with red lights, flags and bunting, while tomorrow will be given over to parades, lectures and other forms of propaganda.

From southeastern Europe came reports today of the arrests of leading agitators as preventive measures against trouble tomorrow.

Austria decided to permit orderly demonstrations in Vienna and other large cities but prepared to suppress any disorders. Hungary days ago issued a decree prohibiting May Day demonstrations, so the lobar organizations decided simply to stroll through the streets tomorrow, wearing their best clothes and their party emblems.

SENATE VOTE EXPECTED ON PARKER TODAY

(Continued from Page One)

committee. Chairman Norris, of the judiciary committee, said the letter was found in the file of recommendations for Parker and he did not know whether it was referred to Overman's committee.

Senator Hastings called attention that Parker was confirmed five years ago by the senate as a Circuit court judge and asked why the National Association for the Advancement of the Colored People had not then protested about the speech made in 1920 by Parker and against which the negroes now complained. He said it would not be argued that Parker was against the fourteenth or fifteenth amendments and cited his recent decision setting aside the Richmond segregation ordinance as unconstitutional.

RAPID RIVER PIONEER DIES

Mrs. Mary Hill Had Been Resident There For 44 Years

Rapid River, April 30 (Special)—Mrs. Mary Hill, 64, wife of Edward M. Hill, of Rapid River, died here yesterday from the effects of complication of diseases. She had been ill several months.

Mrs. Hill was a resident of Rapid River for the past 44 years, being one of the first settlers of the town. For many years she conducted a general merchandise store here. During this time she created friendships with hundreds of persons who will be grieved to learn of her death.

She was a member of St. Charles' Catholic church, Older Ladies' Altar society, and Royal Neighbors of America.

She is survived besides her husband by three children, Mrs. Agnes Ewald and Henry J. Wilford, of Rapid River, and Mrs. Guy Stegath, Villa Park, Illinois, and the following brothers and sisters: Andrew Barbeau, Ensign; Joseph and Levi, Rapid River; Henry, Trenary; Mrs. Peter Parent, Egg Harbor, Wis.; Mrs. Henry Boyer and Mrs. Angus Pineau, Rapid River, and Mrs. Thomas O'Connell, Everett, Wash.

The body was taken to the Allo Funeral Home in Escanaba for burial preparations and will be removed to the family home in Rapid River. Funeral services will be held at St. Charles' church, Rapid River, at 9 o'clock Saturday morning with burial in the Rapid River cemetery.

Kohler Bookkeeping Methods Analyzed

Sheboygan, Wis., April 30 (AP)—Bookkeeping methods of the Kohler company were analyzed today in the ouster trial of Governor Walter J. Kohler of Wisconsin, millionaire manufacturer, who is charged with violating the state corrupt practices act.

Prosecuting attorneys called A. A. Braun, chief accountant for the company, and introduced voluminous ledgers and bills in an effort to show that the concern aided the governor's campaign.

Braun's testimony, however, supported the defense in its contention that free meals and other entertainment offered visitors to the "model village," Kohler, Wis., during the 1928 primary, were listed separately and paid by individual supporters. He repeated the governor's previous statement that the Kohler company had been ordered to "keep out of the campaign."

The separate accounting was ordered, Bruan said, at the outset of the governor campaign.

An adverse ruling was handed down against the prosecution when Judge Gustave Gehrz held that sums spent by the Kohler company for postage during the primary contest, "entered the field of speculation and conjecture." The state had sought to introduce these along with dozens of other exhibits.

St. Francis Hospital

Among the patients who submitted to operations yesterday are: Miss Norma Wolfe, 523 Second avenue south, appendicitis; Mrs. Charles Heric, Ensign, appendicitis; Miss Lillian Hanson, Ensign, hernia; Mrs. Gilbert Taylor, Cornell. None of these patients are allowed visitors.

Jack Finn, who underwent an operation for hernia, is as well as can be expected, but visitors are not allowed to call.

A son was born to Mr. and Mrs. Claude Willette, 1401 First avenue north.

A daughter was born to Mr. and Mrs. E. J. Nicholas, 1217 South Tenth street.

L. C. Randall, 929 Washington avenue, was re-admitted and is not allowed visitors, owing to his weakened condition.

Mrs. H. E. Gustafson of Ensign is resting easily.

Devid Berg, who had his leg amputated, is resting easily.

Edwin Walimaa of Rock is slightly improved but visitors are not allowed for several days as he is still suffering from shock and is very weak from loss of blood.

Patients who have been dismissed are: Ole Setsen, Mrs. H. H. Anderson, Mrs. Anton Jardin, Anna Mae Engdahl, Henry LeDuc, Mrs. Herman Peltier, Mrs. Elmer Bodenstab.

Escanaba Home Owners Remodel And Build New

Among the many building projects started in this city is a modern home being built by Mrs. Elizabeth Petry on her lot at 309 South Fourteenth street. The old home was torn down recently and the foundation for the new one is being laid. Workmen began to pour concrete Wednesday.

Peter Aspness, contractor in charge, plans to have the home completed early in August.

Several houses have been moved lately and are being remodeled. Among these is a house formerly located at 1005 First avenue south. This was moved by Ludwig Brandso to the 500 block on South Fifteenth street. The cottage which stood on the south end of the lot where the Michigan Bell Telephone company is building its new offices, has been moved by George F. McEwen to 329 South Nineteenth street, and as soon as the work is completed, will be offered for sale.

Another dwelling taken from the north side of the city has been moved to 1507 Seventh avenue south, and is being remodeled by Mr. McEwen.

Mr. and Mrs. Gust Ohman of North Escanaba have moved a dwelling house from the 1200 block to the 1000 block on Stephenson avenue and will have a ready for occupancy in the near future.

OBITUARY

MRS. VELMA JOHNSON DUROW

Menominee—Mrs. Velma Johnson Durow, wife of Walter Durow, died Monday evening at 10 o'clock in her home at Daggett following a week's illness. Death resulted from pneumonia, which she contracted about a week ago following her return from a visit in Milwaukee Mrs. Durow was born in Palmer, Mich., 22 years ago, the daughter of Mr. and Mrs. Peter Johnson.

The survivors are her husband, her parents, who reside in Daggett, and the following brothers and sisters: Mrs. George Vernon and John Johnson, Stambaugh, Mich.; Mrs. Hjalmer Joki, 328 No. 16th St., Escanaba; Leonard Johnson, Stephenson; Mrs. C. Beaufait, Detroit; Theo. Clara, Goivo and Martha Johnson, Daggett.

The body was prepared for burial at the Lemieux funeral home in this city and was taken back to the home in Daggett late Wednesday afternoon.

The funeral will be held this afternoon at 1:30 from the home and at 2 o'clock from the Holy Cross Lutheran church in Daggett. Rev. Henry Hopp will officiate and interment will be made in the Nadeau township cemetery.

MISS BEATRICE HUSSIN.

Green Bay, Wis., April 29—When Mr. and Mrs. Alex Hussin, 832 Kellogg St., returned from the home of relatives about 4 o'clock Monday afternoon, they discovered the body of their daughter, Miss Beatrice Hussin, 38, lying on the kitchen floor beside the gas range, the burners of which were open. On the table was a note asking forgiveness for her act.

The rescue squads of the fire department and the Wisconsin Public Service corporation were called, and attempted for two hours to resuscitate her, but without avail. Coroner Frank Hodek was then notified, and after investigation, stated that no inquest would be necessary.

Miss Hussin, according to friends, had been in poor health for a year or more, and despondency over this fact is believed to have led to mental derangement, leading her to take her life.

Miss Hussin had a large clientele as a music teacher, and the attention of neighbors was attracted by the fact that pupils coming for lessons were unable to enter the house. It was thought, however, that Miss Hussin had gone to consult a doctor.

She is survived by her parents, and three sisters, Mrs. Chloe Roe, of Green Bay, Mrs. James McKenzie, 719 Ludington St., Escanaba, and Mrs. E. B. Notting of St. Louis, Mo.

MRS. FRANK PORATH

The body of Mrs. Frank Porath was removed Wednesday afternoon from the Allo Funeral Home to the family home at Ford River Switch, where it will remain until Friday afternoon when funeral services will be conducted at the German Lutheran church at Ford River.

The pallbearers will be: August Severensen, Emil Sheenaman, Otto Dietrich, Emil Klein, Gust Bittner and Adolf Frankofski.

The Rev. Arthur Gentz of Powers will officiate at the services.

Burial will be in Lakeview cemetery in this city.

MRS. MARIE LARSON

Funeral services were conducted Wednesday afternoon at 2:30 o'clock at the family home, 1428 Lake Shore Drive, for Mrs. Marie Larson, who passed away early Monday morning following a paralytic stroke.

The Rev J. H. Hanson, pastor of the Swedish Mission church, officiated at the services and used as his text, the ninth chapter, thirteenth verse from the Book of Matthew, "Jesus the Great Saviour."

Rev. and Mrs. Hanson sang two hymns, "Face to Face with Christ the Saviour," and "O the Glorious Home." C. Arthur Anderson's solo was "No Night There."

The pallbearers were Charles Pepin, Sr., John Oberg, John Kilstrom, A. Bergeron, Fred Olson of this city, and Joseph Longdon of Minneapolis, Minn.

Out-of-town relatives included Mr. and Mrs. Joseph Longdon, Minneapolis, and Mrs. Anna Erickson, Sault Ste. Marie, Mich.

Burial was in the family lot in Lakeview cemetery.

EDITORIAL

BUILD A DOCK

THE ADDRESS delivered before a forum meeting of the Escanaba Chamber of Commerce, on Tuesday night, by William George Bruce, of Milwaukee, director of the Great Lakes-St. Lawrence Tidewater Association, should constitute definite proof of the necessity for the immediate construction of adequate dock facilities at this port. Mr. Bruce predicted that negotiations assuring the construction of the Great Lakes-St. Lawrence waterway, will be completed before the close of the present year and sounded the warning only Great Lake ports possessing dock facilities, to care for the added commerce then made possible, can hope to benefit.

The address delivered here by Mr. Bruce was the clearest and most concise statement of the status of the great waterway project and the possibilities it holds for Great Lakes ports, ever delivered before any audience in the upper peninsula, since this movement was started.

Mr. Bruce was one of the fathers of the Great Lakes-St. Lawrence project. No individual in the United States has had a more intimate knowledge of the various steps in the negotiations to make this age old dream come true and no man can speak with greater authority in naming either the date when final negotiations will be consumated, or upon the benefits of the new waterway will bring to Great Lake ports.

Mr. Bruce pointed out that Escanaba is located advantageously to reap a most substantial reward for its preparedness to welcome ocean transportation to this port and asserted that nothing should be permitted to stand in the way of the construction of adequate dock facilities in this city.

The city of Escanaba already owns water frontage, admirably adapted for dock purposes.

The estimated cost of the improvement is not prohibitive.

Benefits that will accrue to this city will not be confined to commerce brought here through the Great Lakes-St. Lawrence waterway, as an adequate dock will bring to this city not only commercial freighters but pleasure craft from every corner of the Great Lakes, which are now denied admission to this port through the absence of a dock.

The potential benefits certainly justify the construction of a municipal dock in Escanaba.

END OF THE CITY

THE INDUSTRIAL revolution caused by the steam engine produced the big city, and has operated ever since to make the big city grow bigger and bigger, without a letup.

Now a new industrial revolution is in the offing, with gas and electricity as its mainstay; and it is going to undo the work of the first revolution and disperse the big city all over the landscape again.

This, at any rate, is the theory suggested by Dr. Gus Dyer, professor of political economy at Vanderbilt University, as outlined by him in a speech before the Executive's Club of Chicago recently.

The last 20 years, says Dr. Dyer, have seen a miracle wrought in America by the new application of gas and electricity to industry.

"It has destroyed isolation," he says. "It has brought all America out on the great highways of life. It is taking everything worth seeing and hearing from the cities and carrying it to remote sections. It is destroying the reasons why people should go to the cities to live.

"Industries are going back to the country and the small town. The cities have the greatest fight they ever had if they are to hold their places under the new order. The small place has advantages for industry that the city can hardly meet. The cities have got to make a readjustment, recognize a new force."

As a prophet, Dr. Dyer may be less than infallible. His prophecy is interesting, just the same. We have been calmly assuming that the present drift of population toward the cities is going to continue indefinitely; what an upset is in prospect if this flow is presently to be reversed!

His thesis does not sound unreasonable, either. A visit to any one of the half dozen largest cities in this land is about enough to convince any unprejudiced observer that a great city, in many ways, is not a very good place to live. Year by year the congestion grows more unbearable, the noise and dirt grow more oppressive, the time that must be spent in the mere process of getting to and from work lengthens and lengthens. New York is already giving indications that it is just a trifle too big for any earthly use. Chicago is beginning to display the same symptons. And some other cities are not far behind.

After all, why not? We have gone just a little bit too far in our deification of the big city. The genuine advantages that come from living in a smaller place tend to get overlooked.

If Dr. Dyer is right, and a wholesale splitting up of our cities is in prospect, we are in for some enormous, surprising changes. But perhaps we shall be better off in the long run.

WHERE FAULT LIES

IT IS hard to imagine anything more horrible than the Ohio penitentiary fire.

The thought of those 300-odd convicts, locked in their steel cages and screaming out helplessly as death came upon them in the smoke, is going to be a hard thing to forget. One's faith in the ultimated goodness of the world does not easily survive a jar like that.

Perhaps, though, it will be a good thing if we can't forget this fire too easily.

There is no way of undoing the tragedy. But it is possible for us to see to it that it is never repeated.

Ohio's prison, as a matter of fact, was just waiting for something like this to happen. The stage was all set for it—had been set for it for years. The investigation now under way may disclose that this or that man, group of men or circumstances or group of circumstances was directly at fault; but we do not need an investigation to see that the fundamental trouble was the penal system itself.

The prison at Columbus was very old. It was frightfully overcrowded. It was manned by a staff of sadly underpaid guards. Year by year the population increased, year by year its facilities grew more and moer inadequate; but the politicians at Columbus, year by year, postponed the expenditure of money that would have made a modern decent penitentiary out of it.

So, sooner or later, something like this fire was bound to happen.

The tragedy, when it came, was unspeakably awful. But there is no use in pretending it was merely the work of a sardonic, inscrutable fate. It was the work of human shortcomings and indifference. It happened because Ohio was willing to house its convicts in a relic of the dark ages.

If this were Ohio's affair alone it would not be so bad. But is it? Are there, in all the union, half a dozen states which equally out-of-date, equally overcrowded, equally understaffed? Could not the same thing happen tomorrow in almost any other penitentiary one could name?

There is the rub. Not only Ohio needs to spend several million dollars on a new prison system. Most of the other states need to do the same thing.

It took the Iroquois theatre fire to compel the installation of safety devices in American theatre. It took the sinking of the Titanic to compel ocean liners to carry sufficient lifeboats. It took the Collinwood school fire to make American school buildings safe for children. The disaster at the Ohio penitentiary, let us hope, will result in a similar advance for our prisons.

We must not continue any longer with inadequate, crowded, out-of-date prisons. If we do, we shall have, some day, a repititon of what happened at Columbus.

Anniversary

MAY DAY

May Day, the survival of an ancient festival observed by the Romans in honor of Flora, the goddess of flowers, is celebrated the first of May by the crowning of a May Queen and the dancing about a May pole.

In mediaeval times the day was celebrated with much pomp and ceremony. It was the custom in early England for boys and girls to go out on May Day, gather hawthorn or "May" along the country lanes, find the fairest maiden and crown her "Queen o' the May." They then setup the May pole and danced throughout the day.

This same custom still survives in country districts, and attempts are being made to revive it in schools in England as a general celebration.

Toward the end of the 19th century, various labor organizations in Europe adopted May Day as the occasion of annual demonstrations. In some countries the day was frequently marked by clashes between workers and government troops.

(By NEA Service)

By RUTH DEWEY GROVES.

CHAPTER IV.

Her better judgment was cautioning Natalie to hold back her caustic comment upon Alan's visit to Bernadine Lamont, but it lost to her ungovernable jealousy.

"I hope you were able to be of service to Mrs. Lamont," she said acridly as Alan brushed aside the cup of coffee she offered him, "and that you won't have to make another call tonight."

"Why for tonight?" Alan inquired.

"Because the Wynnes are coming in for bridge," Natalie explained.

Alan shrugged. He liked bridge but not the Wynnes. However, they played contract acceptably, and he forgave them much on that account.

"I hope Gladys won't bring that silly poodle to sleep all over the chairs," he grumbled. "He sheds hairs like that rabbit ermine your Aunt Emma gave you."

Natalie ignored his jibe. "Then you will be here?" she pressed.

Alan frowned. "As far as I know, I will," he answered, and left the table abruptly. He hated her habit of pinning him down. How in thunder, he asked himself, as he hastily donned his hat and coat for the street, could she expect him to control the unexpected?

He was too much annoyed with Natalie to remember, before he left the house, that he had intended telephoning Bernadine's residence to ask how she was. Oh well, he'd do it at the office. But at the office he was besieged by business callers, and again forgot.

It was the same at lunch. He went to his club and talked market. But at home he thought of it again. Someone was singing the song that Bernadine had plugged in her night club. He was sick of it. Every time you tuned in you got it.

• • •

Alan was conscious that his entire day had seemed somehow shadowed, heavy, but he hadn't sought the reason for it.

One thing he knew when he opened the front door—coming home was nothing to shout hallelujah over.

He was at the foot of the stairs when the radio song reminded him of Bernadine. He turned and went to the telephone. Nellie's voice soon came to him.

She assured him that Bernadine was better. "She acts like she's got no more troubles," the girl confided, and Alan could hear the ring of happiness in her voice.

"How's the little boy, Bobby?" he inquired immeasurably relieved.

Bobby, he was told, had been asking for him; wanted to know when he was coming to pay that promised visit.

"Tell him very soon," Alan said, pleased, and hung up to find Natalie practically at his shoulder.

She lifted her eyebrows and passed on into the living room. But not before Alan had caught an expression in the tightness of her lips that warned him this would be no good time to attempt to interest her in Bobby Lamont's future.

Natalie, coming out of her room after an hour of making her beauty perfect, for Alan's sake, had heard him inquiring about Bernadine. Slowly and quietly, she had slipped down the stairs, ashamed of herself for eavesdropping, yet excusing it on the ground that she was not hiding out of sight to do it, or prying. Alan could see her simply by looking up, she eased her conscience.

But he did not, and the fact further inflamed Natalie. She thought he was too much absorbed with his interest in Bernadine to be aware of anything extraneous. It required all the self-possession she was capable of to walk on by him, and not speak her mind.

Alan, dressing upstairs, made a mental note to call Bernadine from his office thereafter.

Before he was ready to go down, he heard Natalie come up and enter her room. It looked to him like the beginning of one of those evenings when he dined alone.

As he expected, the waitress told him Mrs. Converse had a slight headache, and was having a tray in her room to save herself for the bridge.

She did not come down until the Wynnes arrived. Then she was civil to Alan, but as cold as ice. Her guests, discussing her later, agreed that Alan must surely wear red flannel underwear to keep off the chill.

• • •

But Alan knew the flame was ready to burst through the ice at any moment. He walked lightly and spoke softly for the rest of the evening.

Gladys tried to engage him in a mild flirtation when they went out to the pantry to mix some drinks, as they chose to do while Natalie and George Wynne fooled away their time with a trick top, but he was absent-minded, unre-

'Looking Backward'

20 YEARS AGO

May 1 1910

Edward Jernstrom has purchased the interest of Bert Billson in the barber shop that the two purchased from John Vassaw. Mr. Billson's parents moved to California some time ago and they request their son to also make his home in that state.

The Rt. Rev. G. Mott Williams, Bishop of the Episcopal Diocese of Marquette, while in Escanaba Saturday and Sunday observed the 14th anniversary of his consecration as bishop.

Bishop Williams gave a splendid talk at the local church yesterday entitled "What It Is to be a Bishop." At the morning services the bishop spoke on "The Seriousness of the Christion Profession." Following the sermon the Bishop administered the rite of confirmation to a class of 14 members.

Bright and early, early anyhow, though possibly not bright. Sunday morning J. Willard Waldstrom one of this city's top-notcher's on physical culture and vegetarianism and other "Isms,, betook himself to the wilds of the deep wilderness that surrounds Escanaba. Over his shoulder he proudly carried a fishing rod and in his pocket were stored away a light lunch.

Long before the good people had opened their eyes he was knee deep in one of the many creeks that flow in to the glorious Escanaba River. After many weary hours of wading he finally succeeded in landing a fish which was cooked at a local restaurant as a side dish to a Spanish omelett. But Mr. Waldstrom had the honor of bringing the first fish to this city.

Miss Jenos Johnson who has been in Milwaukee for the past year is in the city visiting her parents.

Herman C. Strom, until recently of Cleveland, Ohio, is in this city visiting at the home of her parents, Mr. and Mrs. L. J. Strom, 410 South Jennie St. After completing his visit here Mr. Strom will go to Duluth, Minn., to take a position as assistant agent of the Pittsburgh Steamship Co.

LYRICS OF LIFE

By Douglas Malloch

Copyright 1930 by Douglas Malloch

SOMETHING

Frost on the window,
  But coal in the grate;
Care out of order,
  All right, let 'em wait;
Nothing for fixings,
  But plenty for stew;
Have very little,
  But little will do.

Hole in your pocket,
  But naught in your purse,
So, if you lose it,
  You're nothing the worse.
Maybe it's butter
  Or maybe it's lard,
But folks who are wisest
  Don't look very hard.

Flow'rs for a summer
  And love for a day,
But there's a maiden
  Just over the way.
Cheerio, brother,
  The world isn't bad—
Nothing is missing
  If something is had.

Health Tips

BY DR. MORRIS FISHBEIN

For at least a century or more the question as to whether or not a physician should tell the patient the disease with which he is afflicted has been a serious consideration among those interested in ethical problems.

It is a fundamental rule in medicine that the good of the patient must be the first consideration of the physician. Hence it is necessary for him to consider whether or not it is to the patient's interest to be informed of the nature of his disease.

Obviously there are some diseases, such as the major venereal diseases, in which it is of the greatest importance that the patient be properly informed how to protect his family and his associates against secondary infection. Certainly, it is desirable that the person with tuberculosis protect those who surround him against his disease.

However, it must also be realized that the person with tuberculosis may have such a disturbed mental state that the mere knowledge of the fact that he is thus afflicted might cause him to wish to end his life or to take measures which would mean sorrow to many of those who might be close to him.

In the vast majority of instances it is believed that patients co-operate better if they know about their actual condition, know what can be done for them toward benefiting and perhaps even curing the disease. After all, there are but few conditions today in which the outlook is absolutely hopeless.

Much depends on the way in which the information is given to the patient. It is possible for those who understand something of human psychology to make the message of information inspirational and uplifting. It will then play a considerable part in the steps that may be taken toward cure.

JUST FOR FUN

The younger generation don't need to think they are so smart. Why, we of the older generation used to see all of the old movie stars like Mary Pickford and Bebe Daniels, even when they were younger and prettier than they are now, and the show cost only a nickel! The only difference is, we worked harder to earn the nickel than many of the younger generation do to persuade dad to give them the half dollar.

If anybody has reason for seasickness it is the American delegates returning from London.

At that, The Literary Diget's poll on prohibition may be the straw vote that breaks the camel's back.

Senator Joe Robinson says the London naval conference failed to reach complete success. Maybe Joe didn't get the right place at the table.

John D. Rockefeller is now giving away nickels instead of dimes. The gift now has more weight.

The jury system wouldn't be so bad if it were not for the system used by some of the juries.

Band
Part Two
Thanks be to God; Trees ------------- Girls VII and VIII.
Dotty's Dream -------- Grade V
Wand Drill ---------- Girls VI
Flag Drill ------ Boys V and VI
Indian Club Drill ---------------------- Boys VII and VIII
Band
Medley --------------- School Band

Eastern Star Holds Officers Election

The following named officers of the Eastern Star were installed last evening:

Worthy Matron—Mrs. Minnie Brown.

Worthy Patron—Mrs. Wm. C. Duffett.

Associate Matron—Mrs. Vera Peterson.

Associate Patron—Mr. George Baldwin.

Secretary—Mrs. Bertha Lawrence.

Treasurer—Mrs. Helen Duffett.

Conductoress — Miss Evelyn Garrow.

Associate Conductoress—Mrs. Viola Zastrow.

Ada—Mrs. Edith Holter.

Ruth—Miss Mildred Tidd.

Esther—Mrs. Mary Peterson.

Martha—Miss Nina Fisher.

Electa—Mrs. Gertrude Liephart.

Chaplain — Mrs. Magdaline Marsh.

Marshall—Mrs. Anna Evenson.

Organist—Mrs. Fannie Johnson.

Warder—Mrs. Emma Garrow.

Sentinel—Mr. Alfred Evenson.

SOO DOCTOR HERE

Dr. Karl Christofferson of Sault Ste. Marie arrived in the city yesterday on a visit to his brother Harold and family and to look after some matters connected with the Christofferson estate in this city. Dr. Christofferson just returned, a few days ago, from an extended vacation the first one he has taken in his thirty five years of professional career. In company with George Osius, of Detroit, he left the Soo early last winter and went to New York where they took passage for Cuba, remaining some time at Havanna, thence to the Panama Canal Zone and on to California, spending several weeks at Catalina Island. From California they traveled back across the continent by rail. Dr. Christofferson informs the Daily Press that the various states and countries he visited were most wonderful, many places with beautiful scenery and the trip was highly educational. In California they visited the sites of old missions, the old trails overland, made in the early days of the country's development, and many relics of the gold rush days of '49. Yet with all the wonders he saw, with California's great resources, her days of sunshine and her remarkable scenery, he was glad to get back home and thinks that the upper eninsula is still the beautiful peninsula and the most desirable locality in which to make a home.

Mrs. W. A. Munro was hostess at a one o'clock bridge luncheon at her home, corner Elm and Chocolay, yesterday. Honors went to Mrs. L. A. White, Sr., Mrs. W. C. Tate and Mrs. F. E. Bartels.

sponsive. Gladys gave it up. She wasn't serious, anyway.

They took the refreshments back to the living room, where the guests at least did justice to the care that had gone into the preparation of the tiny open-faced "sandwiches."

Natalie, watching fat George Wynne devour them greedily, wondered if it had been worth while to teach the cook to make them. Alan ate one or two, without praising them. And Natalie remembered how he had complimented her for her skill and originality when she prepared them for him before they were married. And for a short time afterward.

(To Be Continued)

MUNISING BRIEFS

D. P. Sherman, former coach of the Mather high, arrived here today with his family, and will remain a week. They will be the guests of Mr. and Mrs. Harold Webber.

The case of Miles E. Simmons vs. Joseph Brisson, which was to have been tried in Justice Tracy's court yesterday, was postponed until next Tuesday forenoon.

Miss Signa Kareonen of the Munising hotel is quite seriously ill with tonsolitis.

Miss Lucy Babcock, manager of the Munising hotel, drove to Escanaba to spend the first of the week with friends and relatives.

William Acker and wife of Rapid River arrived in the city today on a business visit. Mr. Acker is an old time woodsman and mill man and for many years was in the mill business for himself and later mill superintendent for the C. C. I. Co., in this city. He was also at one time a member of the Alger county road commission. He left here for Rapid River three years ago. Mr. and Mrs. Acker have just returned from a trip to St. Louis, Mo.

Mrs. Robert Lockwood and children went to Onota today to visit with Mr. and Mrs. Louis Jacobson.

Miss Letitia Powell is laid up with a slightly infected foot, the injury having been caused by stepping on a nail. She is laid up at her home.

Gerald Lawrence who was operated on at the Munising hospital about two weeks ago was dismissed today. He underwent a major operation and will have to remain a patient at his home for several weeks more.

Mr. and Mrs. Gilbert Wilson, who have been residing at Trenary during the past few months are expected home to Munising in a few days when they will occupy their own home on Chocolay street. Mr. and Mrs. Norman Osland, who have occupied their dwelling will move in Mrs. Jane Benagh's residence on West Superior street.

H. L. Dunklee, florist and gatherer of ferns and mosses, arrived here today from Flint.

Rotes Celebrate Fourth Anniversary

Munising Rotarians celebrated ladies' night and the fourth birthday of their organization at the Beach Inn last evening with a turkey dinner and a fine entertainment consisting of impersonations by Miss Edna Means, Chicago entertainer, a violin solo by Lyle Atkins, band leader, a piano solo by Miss Milchuck and a vocal solo by Miss Mellin.

Members and their ladies were present the dinner starting at 7 o'clock. The ladies were each presented with a souvenir box of candy.

The first president of the Rotarians was Dr. T. W. Scholtes, the second F. J. Baldwin, the third C. G. Kemp and the present Orie E. Brown.

INDIGESTION GOES --- QUICKLY, PLEASANTLY

When you begin to suffer from heartburn, gas or indigestion, it's usually the fault of too much acid in your stomach. The best way —the quickest way—to stop your trouble is with Phillips Milk of Magnesia. A spoonful in water neutralizes many times its volume in stomach acids—and does it instantly. The symptoms disappear in five minutes.

You will never use crude methods when you know Phillips Milk of Magnesia. And you will never allow yourself to suffer from over-acidity again. It is the standard anti-acid with doctors and has been for over fifty years.

Your drug store has Phillips Milk of Magnesia, in generous 25c and 50c bottles. Full directions for its many uses in every package. Insist on the genuine. A less perfect product may not act the same.

"Milk of Magnesia" has been the U. S. Registered trade mark of the Chas. H. Phillips Chemical Co., and its predecessor Chas. H. Phillips, since 1875.

NOTICE

Plans and specifications for the rebuilding of the portion of the county poor farm building destroyed by fire are on file at the County Courthouse and contractors desiring to submit bids may examine them there. Bids will be opened May 15th.

The Superintendents of the Poor

Services Held for Jos. Neidwziski

The funeral of Joseph Neidwiziski, whose death occurred at his home at East Munising last Monday night, was held this morning from Sacred Heart church, Rev. Fr. Manderfield officiating, with interment in Maple Grove cemetery. The pallbearers were: Henry Gollinger, Joseph Pellissier, Joseph Kolbus, Theophil Ludwa, John Parsick and John Nejelski.

GRAVEL ROADS ARE IMPROVED

Several Leading Projects On Delta County's 1930 Program

Roads of Delta county came through the winter and spring in good shape generally, R. P. Mason, county highway engineer, said yesterday in outlining the program of improvements planned for the season. Paved highways suffered less damage from the spring break-up than in previous years, and gravel routs are also shaping up satisfactorily.

Projects on the county program for 1930 include:

Graveling Ford River Switch to Ford River Mill road.

Resurfacing, gravel, Bark River to Schaffer road.

Widening fill and ditching, West Gladstone to Carroll's corner.

Grading and graveling, Boney Falls road.

Grading, Osier road.

Resurfacing, Garden road.

Resurfacing, Nahma road.

One of the important trunk line improvements to be started shortly is the scarifying, re-shaping and retarring of the Gladstone to Brampton road.

School Board Opens Bids This Evening

Sealed bids for the purchase of a group of buildings, located in the "1500" block of Ludington street where the new junior high school will be located, will be opened at a meeting of the board of education this evening.

Bids must be submitted to L. N. Schemmel, secretary of the board of education, before 6 o'clock this evening. About eight proposals have been received thus far.

Stops Toothache

When toothache drives you frantic drop a little E-Z Tooth Filler in the cavity. Almost instantly the pain stops and you feel like yourself again. E-Z Tooth Filler hardens quickly so you can chew on it, seals the cavity air tight and often stops decay. A perfect temporary filling that will last for months. Get a bottle today and try it. 25c a bottle at drug stores.

For Sale By: The Ellsworth Drug Store.

PERKINS CLUBS WILL EXHIBIT

Perkins, Mich., April 30 (Special)—The program for the Sewing and Handicraft exhibit which will be held Thursday evening, May 1, is as follows:

"The Train to Loontown"—Play.

Characters:

Mr. Wiggins—Mae Kinnart.
Mrs. Wiggins—Loretta Morand.
Tom Wiggins—Leo Miljour.
Mary Wiggins—Jane Gibbs.
Mr. Thorton—Leslie Nelson.
Miss Eagerly—Vivian Therriault.
Elder Black—Stanley Stevenson.
Conductor—Gordon Gustafson.
Brakeman—Waldo Wick.

Folk Dance:

Jane Gibbs, Elaine Gibbs, Mae Kinnart, Mary LaBresh, Eileen Moreau, Luella Gerou, Goldie La-Bresh, Mary Sinnave.

"Cohen's Views On Business"—Monologue—Alvin Robbins.

"The Kink in Kizzie's Wedding"—Play.

Characters:

Kizzie Straight, The Bride—Mary Gibbs.
Pinky Black, Maid of Honor—Violet Hurtebiese.
Marietta Dolittle, Maid—Emma Lachance.
Keylah Snowball, Maid—Eileen Hurtebiese.
Hanover Rose, Maid—Harriet Forsberg.
Sunshine Franklin, The Groom—Russel Carlson.
Cotton Mather Moss, Captain of the Groomsmen — Kenneth Robbins.
Mathuse Ketchum, Groomsman—Albert Lachance.
George Washington Goat, Groomsman—Henry Beauchamp.
Cal Crook, Kizzie's Old Sweetheart—Wilbur Gibbs.
Uncle Remus, Old and Almost Blind—Ralph Clausen.
Parson Meek, Parson and Judge—Joe Heirman.

Guests:

Ike Doan — Harvey Beauchamp.
Pig Boons—Clark Nelson.
Pete Strong—Frank Besaw.
Necessary Dolittle — Stanley Stevenson.
Aunt Jemimy—Vivian Therriault.
Sophie Shun—Marie Casimir.
Evalina Ketchum—Hazel Selander.
Omega Rose—Goldie La Bresh.

"Making Samuel Propose"—Dialogue.

Samuel—Goldie La Bresh.
Hettie—Violet Hurtebiese.
Clog Dance—Elaine Gibbs.
Style Show—Girls' Sewing Club.
Club Song—Girls' Sewing Club.

Much Dirt Moved In Making Ditch

A ditch about 25 feet deep, resembling a young canal, is being excavated in the laying of drainage tile on the new U. S.-2 route near Pioneer Trail park. The drainage structure will carry away water encountered in constructing the grade separation with the railroad at Larch. Two motor shovels are at work on the ditch, with a crew of men laying the tile and installing man-holes.

M. J. Bacco, Iron Mountain, is the contractor on the project.

Now read the Classified page.

Lawn Mowers Sharpened the "Ideal" Way

The "Ideal," the most up-to-date lawn mower sharpener, holds the blades of the mower so that each blade is sharpened to a razor-like edge with just the right clearance to obtain the cleanest cut with the least wear. When your mower needs sharpening or repairs, give us a call.

Books for Boys From Scout List Now at Library

A number of interesting books for boys have been put into circulation at the Carnegie public library during the past week, Miss Margaret Pease, librarian, announced Wednesday.

These books, it is interesting to note, were chosen from a list prepared by some of the Boy Scout leaders of America.

The new books which will be welcomed by the younger patrons of the library include the following:

Buffalo Boy—Dunn.
Micah Clarke—Doyle.
Tomahawk Rights—Evarts.
Young Folks Book of Exploration—Elias.
Chad of Knob Hill—Garis.
Book of Courage—Hagedorn.
Book of Airplanes—Iseman.
Young Pioneers of Western Trails—Kneen.
Redcoat and Minuteman—Marshall.
Lindbergh, His Story in Pictures—Miller.
Lincoln's Boy Spy—Newcome.
The Other Side of the Circus—Norwood.
Sea Lore—Rogers.
Flashing Steel—Sherman.
Apauk, Caller of Buffalo—Schultz.
Lone Bull's Mistake—Schultz.

Unusual Bridge Hands

BY WM. E. McKENNEY
Tournament Manager, American Bridge League

The lead of a singleton without a quick trick in trump is usually dangerous, but West in today's hand made a fortunate opening and East, his partner, was quick to take advantage of it, inviting a ruff in another suit.

```
              NORTH
              S—9-7-3
              H—Q-10-3
              D—10-8-6-3
WEST          C—Q-6-3          EAST
S—8-2                          S—6-4
H—9-8-6-                       H—A-K
  5-2                          D—A-9-5-
D—7                              4-2
C—10-9-                        C—A-J-
  7-5-4     SOUTH—DEALER         8-2
            S—A-K-Q-J-10-5
            H—J-7-4
            D—K-Q-J
            C—K                   100
```

The Bidding

The hand was played at contract and South, holding at least eight probable tricks, opened the bidding at three spades. West passed, and North, not holding two tricks in his hand, should pass. this would close the contracting as all passed.

Many auction players in the South position would also open with three spades, while the player opposed to pre-emptive bidding might start with one spade.

The Play

West was rather discouraged with his worthless hand and decided on the long chance and opened his singleton seven of diamonds, dummy played the three and East won the trick with the ace, South following with the jack.

It is now easy for east to read the seven spot as a singleton lead. Before giving his partner a ruff, East leads the ace and then the king of hearts. If he leads the king and then the ace, it would show his partner that he had more in the suit, but when the ace is led followed with the king, it conveys the information to partner that you are out of that suit.

After winning the two heart tricks, East then led a small diamond which West trumped with the deuce of spades. West then returned the six of hearts, dummy played the queen and East trumped with the four of spades. East then returned another diamond which West ruffed with the eight of spades.

West does not want to lead hearts now and allow the declarer of a sluff ruff so selects the club suit, and leads the five of clubs, dummy plays the three, East wins the trick with the ace, the singleton king falling from the declarer's hand. The rest of the tricks are good in the declarer's hand, but East and West were successful in winning seven tricks, defeating the declarer's contract three tricks.

Mr. and Mrs. George Perento and Mr. and Mrs. Wm. Perento have returned to Iron Mountain after a visit in this city.

BED TIME - 7 PM
EATS AND REMAINS INSIDE UNTIL BED TIME

Today, May Day, Is Child Health Day, and here is an ideal daily schedule, drawn up by Amy Hostler of Cleveland, who as teacher in Western Reserve University's unique "nursery college," is daytime mother of thirty youngsters from two to four years old.

7 a. m.—Arises, washes himself and cleans his teeth with as little assistance as possible, and then eats breakfast.

8:30 a. m.—Takes morning drink of codliver oil and then goes out to play.

10 a. m.—Drinks orange juice.

11 a. m.—Clean up for lunch, including bath, and takes 20-minute rest before eating. Should feet himself, use napkin and pour own milk.

1 p. m.—After lunch he sleeps until next play time.

3 p. m.—Drinks glass of milk and then goes out to play until supper.

5:30 p. m.—Eats supper and remains indoors until bed time.

7 p. m.—Goes to bed.

"Elementary Press," Grade Publication, Attractive Paper

An exceptionally fine school publication is "The Elementary Press," printed and published bi-weekly by the students of the Escanaba public grade schools and the printing class of the Escanaba high school.

The paper which is well arranged carries stories of important activities in the various grade buildings, has a splendid editorial department, interesting articles by pupils themselves, a well-patronized advertising department, with advertisements written with a view to appealing to younger readers, and a number of other special features.

Members of the staff of the paper are: music, Miss Elizabeth Leiper, Barr school; amusements, Miss Ruth Jewell, Franklin; P. T. A. news-art, Miss Agnes Ederer, Jefferson; athletics, Miss Bernice Firkus, Washington; special, Miss Vida M. Kuntze, Webster; editor, Miss Julia Parsons; student editor, Roland Peterson.

P-T-A Program, Dancing Party At Bark River

The Bark River Parent Teacher Association has completed arrangements for a program and a dancing party to be given at Bark River, Monday evening, May 5.

A play, "Mrs. Stubbins' Book Agent," will feature the program.

The cast of characters is as follows:

Mrs. Stubbins	Mrs. Carl Anderson
Daird Stubbins	Joseph LaVigne
Pely Gelep	Henry Boyle
Deacon Wheezy	Bertyl Erickson
Amelia Maryme	Mrs. Konkel

Paul Anderson is directing the play.

In addition to the play there will be vocal selections, both solos, duets, and quartet numbers; a short negro dialect sketch and violin selections.

The entertainment begins at 8 o'clock with the dance for which an Escanaba orchestra has been engaged to play, following.

Tickets may be obtained in advance or at the door. The small admission price will cover both the entertainment and the dance.

Church Events

Confirmation Sunday.

The Right Rev. Bishop Paul Nusbaum, D. D., of Marquette, will confer the sacrament of Holy Confirmation at St. Joseph's church Sunday morning immediately after the 7:30 Low Mass.

A large class of children and a number of adults will be confirmed.

* * *

Chinese Missionary Speaks.

The Rev. Joel I. Johnson of Chicago, a former missionary to China, will speak in the Swedish Mission church, corner First Ave. So. and 14th St., this evening at 8:00 o'clock. Every one is welcome to come and hear his message. An offering will be taken for foreign missions.

* * *

To Confirm 123.

A class of six adults and 117 children will receive the sacrament of Confirmation at St. Patrick's church Friday evening at 7:30 o'clock, when Rt. Rev. Bishop J. Paul Nussbaum, D. D., of Marquette, will be in the city.

Assisting the bishop will be Rev. Frs. T. Drengacz of Foster City, O. J. LaMothe of Rapid River, and Gerald Harrington of the local church.

The parents of the children are urged to attend and every one is heartily welcome to witness this impressive ceremony.

* * *

St. Stephen's Supper

The Woman's Guild of St. Stephen's Episcopal church is serving a supper this evening in the church parlors. Serving will begin at 5:30 o'clock. The public is cordially invited to attend.

Rolland Gleisner Is Alpha Delta Officer

Rolland Gleisner, son of Mr. and Mrs. A. J. Gleisner, 314 South Sixteenth street, has been elected vice president of Alpha Delta fraternity of the Northern State Teachers college, at which he is a student. Mr. Gleisner is also house steward of the fraternity.

Fisherwoman of Today Comes Into Her Own; She Must Have Individual License to Fish Brook Trout Now

This is the day and age when "women are into everything," as one irrate representative of masculinity put it recently.

Note, that today, with the opening of the trout season, the lady who accompanies her husband on his fishing trips to neighboring streams, or the dear little companion who trots along with her best friend to those same streams, must have a license of her very own.

Time was, when a license secured by the all important fisherman, covered the negligible activities of his feminine companions, but this year things are diferent.

There are too many fisherwomen who are as expert at the sport as their fellow men, though few of the fellow men like to talk about it, and too many, who are enjoying fishing for the sake of fishing. All of which has resulted in the state declaring that all persons over 18 years of age, who fish, must have licenses, women as well as men.

Two Escanaba women have already applied for and received their permits, Mrs. Anna G. Ryan, and Mrs. Alfred Baker, and a large number of feminine applications are expected at the County Clerk's office and at the Mead Drug Store headquarters for licenses.

Women fishing used to be the biggest nuisance in the world. but this condition has suffered an upset with any number of other staid ideas. The "put a worm on my hook," and "I'm sorry I caught him, throw him back" type, with an inevitable squeal at every nibble, is out.

Good Fellow

In her place is the good fellow of today. She baits her own hook. She takes her catch from it. She tramps through the brush, wades the streams and fishes with an earnest pleasure that can evoke no criticism. Small wonder she is accorded the recognition of her own license.

There is just one phase of the fishing art to which her recent adoption of it is a drawback—that is the telling of fish stories.

And there is just one thing she is warned not to attempt and that is a tearful explanation that she did not know she had to have it, in case she ventures out without that license and runs into a warden.

House plants do not thrive in rooms in which gas is used for cooking or illumination. Certain constituents of these gases are extremely toxic to plants.

Personal News

Miss Betty Bruce has returned from a visit with friends at Breitung and Iron Mountain.

Mrs. J. E. Bryns, Mrs. Edward J. MacMartin, Mrs. W. P. Schuldes and Mrs. W. A. Hews drove to Menominee Tuesday and spent the day there returning here Tuesday evening.

Mrs. Joseph Frizzell, Mrs. K. Byers, Mrs. E. Collins and Mrs. H. Van Oss have returned to their homes at Channing after having attended the funeral of Joseph Frizzell, Sr., in this city.

Mrs. Sophia Lindemann has arrived from Chicago for a two weeks' visit here at the home of Mr. and Mrs. Erick Falk, 608 South Eighth street. Mrs. Lindermann is a sister-in-law of Mrs. Falk.

Mrs. H. H. Hollister arrived last evening from Houghton to visit here with her sisters, Miss Loretta A. and Miss Emma E. McRandle, and with her cousin, Mrs. M. A. Hess, at their home, 424 South Eleventh street.

A son was born Sunday to Mr. and Mrs. Oliver Derouin at their home, 306 No. 12th St. The baby was named Oliver, Jr., and is the seventh son in the family. There are also two daughters. Mrs. Derouin was formerly Miss Tillie Shy.

Mr. and Mrs. Joseph Dery, First avenue south, have returned from Green Bay where they visited with Mrs. Dery's mother, Mrs. August Louis. Mrs. Louis, who is 78 years of age, is unusually active for her age, enjoying the care of her flowers and duties about her home which she performs daily.

Miss Magdalen Browning has arrived here from Green Bay to visit for the next week or two at the home of her aunt, Mrs. Joseph Dery, 1217 First avenue south. Miss Browning, who has been very ill, is convalescing, and will remain here with her aunt for a complete rest during the next few weeks.

Mr. and Mrs. George M. Mashek, and daughter, Helen Delight, 724 South Tenth street, have returned from a three week's motor trip through Virginia, North Carolina, Kentucky and other eastern states. They were joined for a part of their trip by William Mashek, son of Mr. and Mrs. Mashek, who is a student at Cornell university, Ithaca, N. Y.

Mrs. C. M. Newman, who recently submitted to an operation at St. Mary's hospital, Rochester, Minn., is getting along nicely. Mrs. Newman returned to the hospital for a minor operation, from which she is recovering rapidly, and her condition is improving daily. Miss LaVerne, her daughter, who was with her during the spring vacation period in the Detroit schools, has returned there to resume her teaching duties.

Junior Contest Is Feature of P-T-A Meeting

Margaret Brotherton and Fahey Flynn, eighth graders, and Elizabeth Morin and Dorothy Frederickson, seventh graders, were declared winners in the St. Joseph's Junior high school declamatory contest which was one of the features of the meeting of the Parent Teacher Association of the school, held Wednesday afternoon in the auditorium.

Miss Brotherton won first place with her declamation of John M. Thurston's "A Plea for Cuba"; and Miss Flynn second place with "Our Martyr President," Henry Ward Beecher.

In the seventh grade Miss Morin's declamation of "A Message to Garcia," Hubbard, won for her, first place; and Miss Frederickson was second with "The American Flag," Henry Ward Beecher.

Judges of the contest were: Mrs. Arthur Peterson, Mrs. L. P. Treiber and Mrs. Claude Tobin.

Exhibit

An exhibit of bird houses and of airplanes constructed by pupils of the school, showed some splendid work and attracted much favorable comment.

The meeting was well attended. Mrs. T. C. Curran, South Ninth street, president of the unit, presided.

Mail Deliverers Given New Hats

London (AP)—Fashion notes from the general postoffice reveal that the women mail deliverers, of whom there are about 1,000 in country districts in England, are to have a new hat.

The old mushroom shaped straws that the postwomen have worn for years, no matter what the season, are to be relegated in favor of smart new blue felts turned jauntily up on the left side.

Supper Thursday Evening May 1st

The Women's Guild of St. Stephen's Episcopal church will give a church supper Thursday evening starting at 5:30 o'clock at the church parlors.

THE MENU

Baked Ham
Escalloped Potatoes
Buttered carrots and peas
Vegetable Salad
Jelly
Home Made Bread
Apple and Pumpkin Pie
Cheese
Coffee.

Favorite Recipe

Betty Ann

Mrs. Charles S. Slining, Lake Shore Drive, Gladstone, has an unusually fine recipe for sugar cookies, which you will surely want for your collection of cookie recipes. The recipe is:

Sugar Cookies

Two cups white sugar.
One cup lard.
One cup butter.
Two eggs.
Two teaspoons nutmeg.
One cup sour milk.
Two teaspoons soda.
Two teaspoons cream of tartar added to flour.

Roll. Sprinkle with sugar. Bake in quick oven.

Mrs. Charles S. Slining.

Gladstone.

Beauty Off Stage

Charming Olive Olson, the funny "Angie" in "Follow Thru," keeps her skin smooth and transparently clear with daily Jap Rose cleansing. She says it surpasses any other soap she has used because it is made of pure glycerin—the greatest of all beautifiers. "And it's just as delightful for shampoo and bath as for cleansing hands and face," says Miss Olson. No other soap gives such tingling cleanness, leaves your skin so adorably smooth and fragrant. At all dealers, 10c.

JAP ROSE SOAP

Heidenreich-Nystrom

Announcement was made Wednesday of the marriage of Miss Caroline Heidenreich, daughter of Mrs. Anna H. Heidenreich, of Hermansville, and John Nystrom, son of Mr. and Mrs. Charles Nystrom, 1022 Ninth avenue south.

The young people were married on March 1, leaving following the ceremony on a three weeks' wedding trip to Pensacola, Santa Rose and Greyton Beach, Florida.

Mr. and Mrs. Nystrom are making their home for the present at 1022 Ninth avenue south.

The bride is stenographer in the office of Henry Ranguette, justice of the peace. Mr. Nystrom is a locomotive engineer with the Chicago and North Western railroad.

Jefferson School Exhibits Pupils' Work This Evening

Work in all departments completed during the school year which is nearing its close will be exhibited this evening at the Jefferson school from seven to nine o'clock.

The exhibit will be one of unusual interest and will be a special attraction to parents and friends of pupils of the Jefferson school, as well as to everyone interested generally in school work in the grades.

Displays will be in each room of the school, showing the work of the pupils of the various classes.

The exhibit will include art work, done under the supervision of Miss Lois Gaut, the best work in arithmetic, spelling and language; interesting note books dealing with history and geography and clever charts, reading, library, and the like.

The Jefferson school orchestra members who will appear in their attractive red and white uniforms, will play during the exhibit.

A cordial invitation is extended everyone to view the exhibit and a special invitation is extended parents of the pupils.

Robert Beggs Is Leader In Plan to Merge Publications

Consolidation of the major Lawrence college publication which is being proposed by the students, is of interest to Escanaba people, in that one of the leaders of the project is Robert Beggs, brother of Stanley Beggs of this city, a student at Lawrence, who is active in campus affairs.

The plan, as set forth by Mr. Beggs, calls for merging of the staffs of the Lawrentian, the Bidex weekly college paper and the year book, the Ariel.

This staff would produce one publication, containing features of the three, according to the plan now being considered.

Group Leaving to Attend Sessions Of Presbytery Meeting

A group of representatives of the First Presbyterian church will be in attendance at the meeting of the Woman's and Young People's Presbyterian Societies of Missions, Presbytery of Lake Superior, Synod of Michigan, which is being held in Marquette.

Mrs. H. I. Davies, who is a Presbyterial officer, and Mrs. John J. Fredenburg left Wednesday afternoon to be present for the board meeting and the opening session of the meeting.

Mrs. C. E. Berger, Mrs. L. K. Edwards, Mrs. Philip S Clark of Wells, Mrs D. J. Duranceau, Miss Alma Suter and Mrs. O. M. Mickelson are leaving this morning to attend the meetings.

The conference banquet will be served this evening at the Hotel Marquette. Election of officers takes place Friday morning.

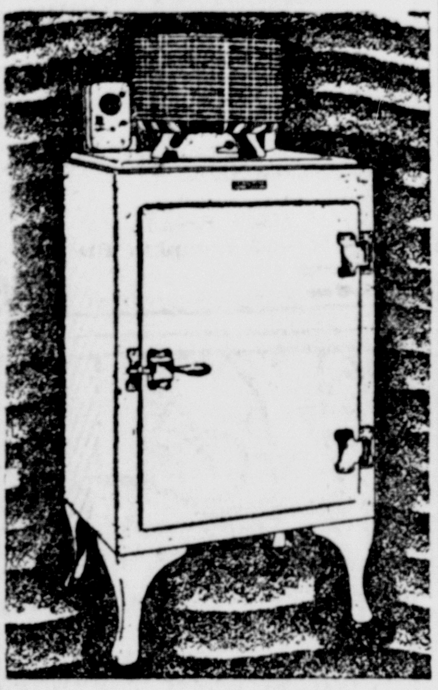
Orville Knutsen Wins Contest at Augsburg College

Another Escanaba student who has earned unusual recognition in school is Orville Knutsen, son of Rev. and Mrs. Knut Knutsen of this city, who is a student at Augsburg college, Minneapolis.

Mr. Knutsen won first place in the 1918 Oratorical Cup contest which was held at Minneapolis, April 24.

The young man is a junior at the college.

SUBMERGED
IT RUNS UNDER WATER



IN A SPECTACULAR nation-wide exhibition, General Electric is dramatically demonstrating that the "On Top" refrigerating unit cannot be harmed by dirt, air, moisture and rust. Amazed crowds gather in front of General Electric windows — witnessing an astonishing demonstration. Completely submerged in water, a General Electric Refrigerating Unit operates with quiet, smooth, unfailing efficiency.

Only a General Electric—born of years of exhaustive research, built for trouble-free service and sealed in steel—could withstand this test.

Here is the only unit hermetically sealed in steel—oiled once and for all at the factory. Efficiency is sealed in —trouble sealed out. The simple, flawless mechanism is protected forever by a permanent wall of steel. An engineering triumph—built to run through the years without a thought.

General Electric Refrigerators are modern in principle, fast in freezing performance, greatest in food storage capacity and by far lowest in cost per year. They embody every desirable convenience from ready movability and quiet, unfailing operation, to a handy, accessible freezing control. Cabinets are all steel —white porcelain lined. *Not one of hundreds of thousands of owners has ever spent a cent for service.* Ask us to prove these advantages to your complete satisfaction.

NEW

GOODYEAR HEAVY DUTY
ALL WEATHER

"HEAVY DUTY"

tells you what it is—
but not *how fine it looks!*

When Goodyear puts the words "Heavy Duty" on the side-wall of a tire, everybody knows those words mean extra strength, extra service, extra wear.

But in its new Heavy Duty balloon, Goodyear now puts something more—an outward beauty quite as superior as its inner excellence.

This great new tire is ruggedly handsome, massively proportioned, and around either side-wall below its extra-thick and extra-safe All-Weather Tread runs a single identifying stripe of silver.

A striking feature is the way in which the outer rows of All-Weather blocks are prismed down into the side-walls, as fresh and unhackneyed a modeling as distinguishes modern sculpture.

Goodyear builds this new Heavy Duty balloon tire for those who want to drive fast and far without worry, and are willing to pay a little extra for that privilege.

If you want to dress up your car and soothe down your anxieties, go see the nearest Goodyear Dealer, and have him change over your tires to new Goodyear Heavy Duty balloons today!

Goodyear can give you greater tire values because Goodyear builds more than
1/4
of all the tires sold in America, the remainder being divided among some forty manufacturers. "More people ride on Goodyear Tires than on any other kind."

RED BUTTONS FLASH TODAY

Fishermen Prepare For Pursuit of Trout in Delta County

Trout license sales, which have been steady during the last few days, became brisker in Delta county points yesterday as anglers equipped themselves with the little red buttons which are a necessary addition to the outfit for the legal enjoyment of the season, opening this morning.

Trout streams in Delta county open to fishing May 1 to September 1 are:

Bark River down from Highway US-41 and 2.

Bill's Creek.

Carr Creek down from north line Section 22, Township 32 north, Range 18 west.

Days' River down from C. & N. W. R. R. at Brampton.

Eighteen Mile Creek down from Burnt Dam, Section 23, Township 42 north, Range 19 west.

Escanaba River.

Fish Dam River down from north line of Township 41 north, Range 18 west.

Ford River.

Haymeadow Creek down from Burnt Camp, Section 8, Township 42 north, Range 20 west.

Hunter's Brook.

Kilpecker Creek down from west line Section 13, Township 43 north, Range 18, west.

Ogontz River down from dam in Section 15, Township 41 north, Range 20 west.

Rapid River.

Sturgeon River.

East branch of Sturgeon River

West branch of Sturgeon river

West branch of west branch of Sturgeon River.

Squaw Creek down from Burnt Dam in Section 19, Township 42 north, Range 23 west.

Tacoosh River down from C. & N. W. R. R. at Perkins.

Ten Mile Creek.

Twenty-four Mile Creek

Valentine Creek down from railroad grade, Section 26, Township 40 north, Range 18 west.

Whitefish River.

East branch of Whitefish River.

West branch of Whitefish River.

Pike lakes open to fishing May 1 to March 31:

Corner, Dickinson or Uno Lake

Pine Lake, Section 2, Township 43 north, Range 19 west.

Pole Lake, Section 2, Township 43 north, Range 19 west.

Unlawful to take fish except by hook and line in certain portion of Little Bay de Noquette (Section 40, Act 84, Public Acts 1929).

Resident licenses for taking trout are $1 a year, and a resident is classed as one who has resided within the state for six consecutive months prior to the time of making application for license. All persons over 18 must secure licenses, and the regulation applies to women as well as men.

National Cathedral Meeting at Capital Is of Interest Here

Of interest here is the annual meeting of the National Cathedral association which will be held today at Washington Cathedral in the National Capital, with representative attendance from all parts of the country.

The program of the meeting provides for reports on the progress of construction at Washington Cathedral and reviews of the various accomplishments in the nation-wide movement which is being carried on under the leadership of General John J. Pershing as National Chairman to hasten the day "when it no longer may be said that the Nation's Capital is without an adequate expression of the religious ideals of the American people."

Speakers at the annual meeting will include the Right Rev. James E. Freeman, Bishop of Washington; former United States Senator George Wharton Pepper, chairman of the executive committee for Washington Cathedral and the Right Rev. Phillip M. Rhinelander, former Bishop of Pennsylvania, who is warden of the Washington Cathedral College of Preachers.

The National Cathedral Association was founded more than three decades ago to inspire interest in the need for a great church structure in the District of Columbia. From humble beginnings in a few communities it has grown until its present membership numbers more than 9,000 including nearly 250 local chairmen. A fellowship of Washington Cathedral benefactors, its activities are nation-wide in scope with citizens of every state among its members. One of the noteworthy phases of its endeavors is the publication of The Cathedral Age, a quarterly magizine devoted to cathedral interests throughout the world.

Mrs. Mashek, Local Chairman

Mrs. George Mashek of this city is chairman of the Escanaba committee of the National Association.

Visits Homestead He Took 20 Years Ago

Al Sealander, 901 North Sixteenth street, returned Monday from a trip to northwestern Minnesota. Mr. Sealander has some land near Beaudette, Minn., on a homestead which he took up about twenty years ago.

He found many changes in that state after a long absence. He stated that the trunk lines built within the past few years were very fine and he enjoyed his trip immensely.

RADIO

New York, April 30 (AP)—Two nationwide networks will carry the address of President Hoover before the Chamber of Commerce of the United States from Washington tomorrow night.

The broadcast of the talk, to be made at the chamber's eighteenth annual convention, is to start at 9:30 p. m. (E. S. T.) going over both the National Broadcasting company chain and the Columbia Broadcasting system.

Mr. Hoover will be introduced by Richard F. Grant of New York. The announcer will be Merle Thorpe.

Stations to be in the hookups include:

NBC chain: WEAF, WJZ, WTAM, and KYW.

CBS chain: WABC, WGAP, and WCCO.

——o——

Two speakers will be heard in the half hour at the nation's capital, WEAF and stations at 6:30 p. m. (E. S. T.). Representative Henry W. Watson of Mississippi will discuss "The Tariff," and Mrs. Lowell Fletcher Hobart, president general of the Daughters of the American Revolution, is to talk on "The Principles of the American Revolution"

——o——

Tito Schipa, Chicago Opera tenor, is to be guest artist on WEAF and coast to coast chain at 9 p. m. (E. S. T.).

——o——

A change has been made in the artists to appear with Rudy Vallee's orchestra in the Sunshine Hour of WEAF and chain at 7 p. m. (E. S. T.). Instead of the Men About Town Trio, the Cavaliers' Male Quartet will sing.

——o——

The midweek half hour on WABC chain at 9 p. m. (E. S. T.) will have Della Baker, operatic and concert soprano, as guest soloist.

——o——

Talks on health and food by Dr. Royal S. Copeland, senator from New York, will be broadcast twice each week by WEAF and stations, starting tomorrow morning at 9 o'clock (E. S. T.) in addition to Thursday's talks also will be made on Saturday mornings.

——o——

The history of May Day dancing will be traced by Maria Theresa, adopted daughter of the late Isadora Duncan, in the Radio Homemakers' Club Hour on WABC and stations at 9 a. m. (E. S. T.). In this same program "The American Woman and Her Clothes."

——o——

The Americanization Rally of the Veterans of Foreign Wars in Union Square tomorrow will be broadcast by WEAF and stations starting at 11:30 a. m., continuing until 1 p. m.

The Atlas moth, a night-flying insect of Central America, is one of the largest insects in the world. Its wings measure 14 inches from tip to tip.

GLADSTONE NEWS.

ANNUAL MEET IS UNDER WAY

Rev. Carlson Strikes Conference Keynote in Opening Sermon

The annual meeting of the northern Michigan District conference and the semi-annual meeting of the Ministerial association opened last night at the Swedish Lutheran church.

Rev. S. G. Nelson, of Ishpeming, speaker at the opening session, struck the keynote of the conference in his sermon "Christ the Head of the Church." The conference theme is "The Church of the Living God."

Between eighteen and twenty pastors and lay delegates from various parts of the upper peninsula and northern Wisconsin, will be here today and the heighth of the conference will be reached Friday when between 25 and 30 are expected to attend. The meeting will last through May 4.

The business meeting of the Ministerial association will be held this morning at which Rev. J. H. Hanson of Escanaba will preside.

The complete program for today follows:

9:00 a. m.—Ministerial association business meeting.

10:30 a. m.—Lecture, "The Preacher—God's Servant in the Church"—Rev. K. E. Pearson, Ironwood.

2:00 p. m.—Devotions, Rev. J. H. Hanson, Escanaba, leader.

2:30 p. m.—Lectures, "Church Membership,"—Rev. B. O. Johnson, Marinette; "Church Discipline,"—Rev. Carl Olson, Stambaugh.

7:45 p. m.—Sermon, "The Present Humiliation of the Church"—Rev. J. H. Lundgren, Iron Mountain; "The Coming Glory of the Church,"—Rev. A. E. Lundquist, Menominee.

The meeting today will be conducted in the Swedish language.

Pyorrhea Attacks Bleeding Gums

If gums are sore or tender. If they bleed easily, look out for pyorrhea. This dreaded disease saps health, often causes rheumatism, heart affections, other ills.

Use dentists' method. Rinse mouth with Mu-col. Bleeding stops at once. Gums become firm and pink at once. Aching stops. Ulcers heal. Mouth becomes healthy as Mu-col cleanses away germs in gums and base of teeth. Used by dentists 28 years. Now at all druggists. Get Mu-col today. 35 and 60c. 60c size most economical.

THEATRES

RIALTO

Five song hits from the pianos of seven of America's most popular composers provide the tuneful background of "Chasing Rainbows," musical extravaganza which will open today at the Rialto theatre with Charles King and Bessie Love in the featured roles.

Milton Ager and Jack Yellen, noted for their "Ain't She Sweet," "I Wonder What's Become of Sally," "Forgive Me," "Crazy Words," and "Hard-Hearted Hannah," wrote "Lucky Me, Lovable You," "Everybody Tap," and "Happy Days Are Here Again" especially for the new M-G-M production.

"Everybody Tap" fits into a huge dancing ensemble with Miss Love singing and dancing the number with the trained chorus of two hundred boys and girls. "Lucky Me, Lovable You" is the love song sung by Charles King and Miss Love and "Happy Days Are Here Again" is the musical setting for the finale spectacle, filmed in Technicolor.

SENIOR PLAY FRIDAY NIGHT

"Arrival of Kitty" Well Received at Matinee Performance

That the senior class play will delight all who view it was assured by the applause which greeted it yesterday afternoon at a matinee performance at the high school. The play will be presented at the school auditorium Friday evening beginning at eight o'clock. A large crowd is expected to view the production. Tickets may be obtained from any member of the ticket committee. There are still a number of desirable seats left.

The play, "The Arrival of Kitty" is favored with a fast moving plot, full of amusing and laugh provoking situations.

Just imagine the complications which arise when Howard MacDonald, an English gentleman, in the United States to marry a young American girl, is mistaken for a man from a matrimonial agency who has been called to marry a lady of 65. Imagine this same Howard confronting his young sweetheart, only to be mistaken for her dancing teacher and when he makes love to her she thinks he is giving her a lesson in a new dance.

This is but one of the many situations that rock the audience with laughter.

The play is directed by H. W. Bainter, faculty member and senior class advisor, who has successfully directed a number of other productions. Band and orchestra numbers will be played preliminary to the opening act.

GLAD— W S SKELENGER—

In the absence of Rev. H. W. Colenso, W. S. Skellenger will occupy the pulpit of the Methodist Episcopal Memorial church next Sunday evening.

A fine musical program has been arranged for the occasion which will be announced later.

Rev. Colenso will be absent from the city on this evening, going to Newberry where he will deliver an address at the anniversary celebration of the Newberry lodge of Odd Fellows.

Ready Response to Vaccination Edict

The vaccination edict issued some weeks ago requiring all school children to be innoculated against smallpox is meeting with ready response and it is believed that every pupil will have been vaccinated by the close of the school year.

The order was issued some time ago as a precautionary measure to guard against the chance of an epidemic in this city, the disease being prevalent in neighboring districts.

The innoculation is being done by family physicians.

FISK
AIR-FLIGHT PRINCIPLE
TIRES

Know Tires–Attend This Demonstration

Here is the *proof*
that convinced these "Doubting Thomas" experts

LESS THAN the ordinary wear was found in the pistons after a 9000-mile test run with this improved motor oil—New Iso-Vis.

TEST TUBE EVIDENCE was shown to the experts. Then the results of hundreds of engine tests in the laboratory. This supporting evidence was enough to easily convince the ordinary man that New Iso-Vis has decided advantages over any other motor oil. But the experts said, "Now show us a real test of thousands of miles".

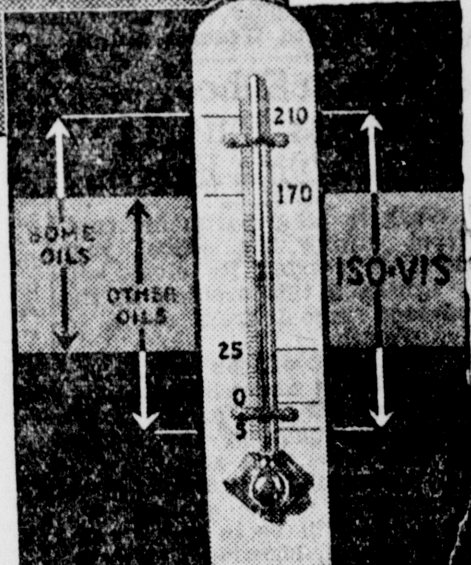
So this engine had been rushed through a test of 9,000 miles . . . equal to a year's mileage of most cars. Now, measuring would show how New Iso-Vis had protected the moving parts. This, after all, is the actual test of an oil.

A micrometer was applied to the various parts. *Everywhere the wear was less than normal.* The bearing wear, for instance, had been less than 1/1000 of an inch. The engine was in as good condition as when it started on the long run. The experts were convinced.

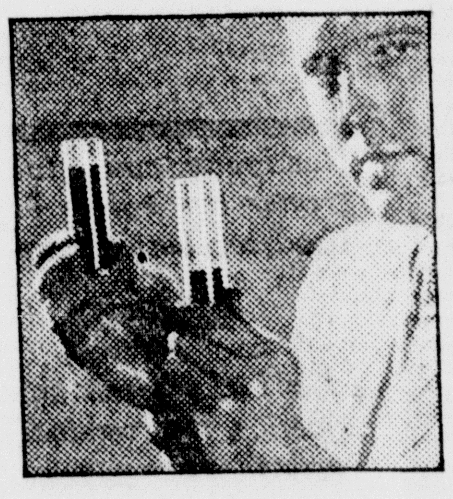
The reasons for the high lubricating value of New Iso-Vis have been proved to be as follows:

1. New Iso-Vis will not thin out in the crankcase. It is made proof against dilution trouble by a special patented process.
2. New Iso-Vis cuts carbon formation to less than half the average of various premium-priced oils. It is Wholly Distilled and contains no undistilled parts of the crude.
3. New Iso-Vis continues to lubricate effectively at engine temperatures far above normal. Yet its lubricating range goes as low as so-called "winter oils".

You will find the proof of these facts in the longer life of your car and its better performance when you run it on New Iso-Vis. This new type oil was put on the market only last March. Have your crankcase drained, flushed and refilled with New Iso-Vis at any Standard Oil dealer or service station.



SOME OILS are satisfactory at high temperatures but not at low. The reverse is true of other oils. New Iso-Vis protects your engine at both extremes.



YOU SEE here on the right the carbon formed by New Iso-Vis. It is 50 per cent less than the average of various premium-priced oils.

New ISO=VIS Motor Oil 30¢ a qua

The New Polarine also is produced by our new refining processes—giving it a degree of lubricating efficiency which we believe is exceeded only by the New Iso-Vis. The price is 25c a quart.

U. S. LIGHTSHIP TO LEAVE SOON

Crew of Six Arrives Yesterday; Await Word From Government

A crew of six men arrived in Manistique Tuesday to take charge of U. S. Lightship 98 which has been in the harbor here since July 8 last year. The government ship has been put in first class condition during the winter months by Capt. Elias Garrett and First Mate Dan Garrett, both of whom reside in this city. Government inspectors who visited here last month pronounced the boat to be in as good a condition as any on the Great Lakes. The ship was put through a thorough process of cleaning, scrubbing, and painting and presents a trim apearance.

Capt. Garrett, who has been in charge of the lightship for the past twelve years, left yesterday for Milwaukee, where he will be assigned to Lightship 103 during the next month. His son, Dan, who is a first mate, will remain with this boat. Capt. Byron Hill, of Milwaukee, will have command of Lightship 98 during the present season.

Destination Unknown

No definite assignment for the ship has been received as yet by Capt. Hill, but word as to its destination is expected any day now. It is believed that the boat will proceed from here to either Sturgeon Bay or Manitowac where it will be put in drydock to have its engine and mechanical equipment inspected and overhauled.

The lightship is spacious and has all of the comforts of the modern home including a radio, bath tub, pantry, kitchen, living room, and comfortable furniture. The ship is 103 feet long and is propelled by a hundred horse power Diesel engine, its maximum speed being about six miles per hour.

C. R. ORR FARM RAZED BY FIRE

Farm House Is Total Loss; Sparks on Roof Cause Blaze

Fire destroyed the farm house on the Charles R. Orr farm located four miles north of the city on the Hiawatha road early yesterday afternoon burning it completely to the ground. The property is being rented and operated by Joe Levine.

Sparks from the chimney ignited the roof and the flames were first noticed by E. C. Lindroth, a neighbor. The Manistique fire department responded to the call at 12:30 and fought the flames for three hours, but could not save the frame structure.

The booster tank was put into service and water was drawn from near by wells. Other buildings on the farm, a shed, milk house and cattle barn were undamaged. The farm is one of the most modern in this vicinity. The loss is covered by insurance.

Novel Advertising onducted In Press By Manistique Bank

The Manistique bank is running a series of twenty advertisements in this paper pertaining to the history of this city and its industrial institutions in which there are many facts not generally recognized of known by local residents. The advertisements run weekly and appear in the Sunday edition of the Escanaba Daily Press. They are written in entertaining style and yet retain the quality of conciseness.

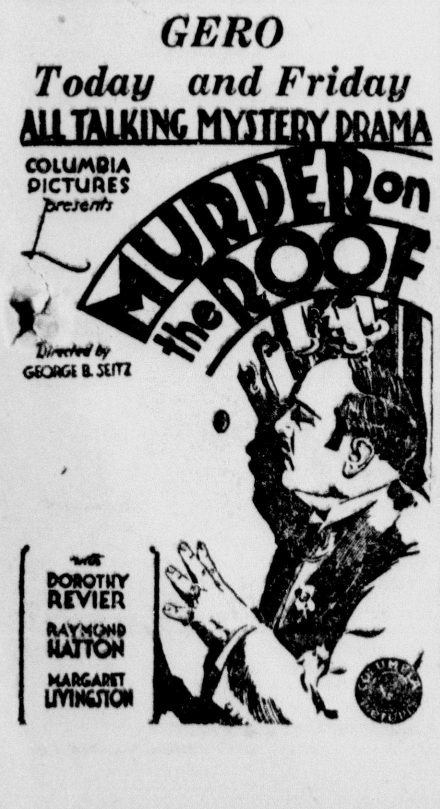
ALL TALKING MYSTERY DRAMA



SOCIAL

Mrs. Ralph Arrowood entertained a group of tiny tots recently in honor of the sixth birthday anniversary of her daughter Genevieve. The table was prettily decorated with Easter bunnies filled with Easter eggs. Genevieve received many lovely gifts.

The little guests included Helma Olson, Hazel Conarty, Marion Myers, Betty Grosa and Ruth Arrowood.

Q. A. M. Bridge Club

Mrs. Frank Cookson was hostess to members of the Q. A. M. Bridge Club at a six-thirty dinner party Tuesday evening. Two tables of bridge were in play in which Mrs. Dan Perry received high honors and Mrs. Mary Holbein, consolation.

Bridge Club

The Misses Lewise Salmon, Marie Connolly, and Mona Bingham entertained members of their bridge club Monday evening at the Frank Cookson home. Three tables were in play, high honors going to Doris McNamara and second, Aileen McLaughlin. Dainty refreshments were served.

Theatre Party

Miss Mary McLellan entertained Delphian Club members at a theatre party Monday evening. Attending the party were Mrs. W. L. Middlebrook, Mrs. Shipman, Mrs. C. Hovey, Mrs. R. H. Wilson, Mrs. Baldwin and Miss Mitchell.

The final meeting of the year will be held Monday evening, May 5, at the home of Mrs. Charles Hovey, Indian Lake.

Intelligence Tests Are to be Taken by Manistique Students

The inherent intelligecne of pupils and students of Manistique public schools will be tested at various occasions during the remaining part of the school year to serve as a comparison between grades and native ability according to a statement issued by Supt. of Schools A. F. Hall yesterday.

Pupils of the eighth grade of the junior high school were given the Aarmy Alpha test, form 6, about a week ago, but the exact results of the examinations have not been arrived at as yet. This is the same test given to United States army men during the World war when a large number of soldiers were found to be subnormal mentally.

Tests Are Useful

"Up to the present time, no accurate tests have been formulated whereby the native or inherent intelligence of an individual can be concretely determined," Mr. Hall stated. "These tests are the best that have been devised, however, and serve a useful purpose in calculating and determining causes for students not doing satisfactory work. If the intelligence quotient of a student is high according to these tests and his grades are below average, it indicates either that the pupil is not being properly instructed or that the pupil is lacking interest or not concentrating in his studies. Through conferences with students who show marked differences between grades received and intelligence quotients obtained in these tests, the exact cause of the students' failures can in many cases be ascertained."

All pupils at some time during their high school career are required to take the Army Alpha test. Generally this is done while they are in eighth grade prior to their entrance into high shcool Students who matriculate later, are subjected to the test some some time before graduation. The American Council Alpha French test and the White Latin test will be given to high school students who are taking these subjects next week. Other tests included in the testing program scheduled, for high school students will take place later on in the school year.

To Test Primary Grades

The Devoe Primary test will be given to pupils of the first and second grades sometime next week and all grade school pupils will also take the New Stanford achievement test which is a battery examination in all the basic subjects.

These standardized tests are being made in the public schools throughout the state and the results are sent to the Bureau of Research and Measurements at Ann Arbor where the data is compiled and a comparison made with other schools of the same classification. By this method, local school officials, can ascertain the effectiveness of their instruction staff.

Besides failing to ascertain accurately inherent intelligence because some of the questions are more difficult or facile according to the enviroment of the pupil, intelligence tests fail to make manifest such qualities as personality, initiative, preseverance, etc., which may mean the difference between success and failure in life. The advantages to be derived from the giving of these tests, however, outweigh the disadvantages and admirably serve the purpose designed.

Mr. and Mrs. Adolph Sandberg and granddaughter, Katherine Ann, have returned after visiting Mr. and Mrs. J. J. Howbridge, Birmingham.

CARNIVAL HERE TOMORROW NITE

High School Celebration Carded as Biggest Party of Year

All is in readiness for the staging of the second annual high school carnival tomorrow evening at 7:30 at the high school auditorium which will be the largest and most interesting affair of this nature ever put on in the city. Much gaiety and merriment is in store for those who are planning to attend this hilarious festival.

Attractions of all kinds which will meet with the approval of the most exacting of entertainment seekers are planned for the evening. A vaudeville show which will be chock-full of laughs is to be presented at 9:30 with some great snappy acts. There will be no waiting between acts and from 30 to 40 minutes of good rollicking continuous entertainment will prevail. Some of the highlights will be Madame Pavola, the ballet dancer, and a famous mind reading bill and trunk escape act by Pardoni & Co.

Band to Furnish Music

Thirteen stupendous sideshows will command the major portion of the interest during the early part of the evening and a brass band will entertain with popular tunes. The girl reserves are to have a refreshment stand where ice cream and cake will appease the appetites of the hungry.

Admission to the sideshows will be five cents and the vaudeville show will command a price of fifteen cents, a ten cent reduction from that of last year. The primary purpose of the carnival is to defray the loss incurred by the Student Association board of control in the financing of the lyceum course which was sponsored during the past winter.

Members of the various committees in charge of the carnival are as follows:

First Floor Committee

Preston Tanis, faculty chairman, James Arrowood, student chairman, Harvey Ekdahl, Lawrence Willour, Charles Willcock, Ingvar Anderson, Coleman Elliott, Donald McEachern.

Second Floor Committee

Cyrus Field, faculty chairman, Connie Graphos, student chairman, Richard Hudson, Leo Brunet, Everett Collier, Daniel McCauley, Howard McEachern, Raymond Billings.

Third Floor Committee

Wayne Martin, faculty chairman, Henry Richey, James Burns, Robert Brawley, John Larson, Hadley Pallin, Jack McLaughlin.

Engineering Committee

Stanley Carlyon, chief mechanical engineer; Buck Jones and Marshall Bergman, assistants.

Power Committee

William Cook, chief electrician, Carleton Passenheim and Pete Gorsche, assistants.

Vaudeville Committee

Paul Peterson, Carleton Passenheim.

Balloon Committees

Sales ladies—Myrilla Lavigne, Madeline Lavigne, Helen Beaudoin, Denyse Rousseau.

Stringers—Jack McIntosh, Ancel Burrell, and Lyle Gilroy.

Inflators — Clayton Burrell, and Russell Burley.

Committee Officials

Judge—S. B. Carlyon.
Cop—George Buttars.
Constable—Buck Jones.

BRIEFLY TOLD

Young Women's Guild—Mrs. R. H. Wilson entertained members of the Young Women's Guild of the Presbyterian church, Tuesday evening. Mrs. C. M. Muilenberg led the devotionals. Preceding the business session Paul Peterson sang two pleasing vocal numbers. Plans for the play, "A Southern Cinderella,, were discussed and Tuesday evening, May 20, was decided as the tentative date for the presentation of the play. The cast as well as other material on the play will be published later.

* * *

Eastern Star—Ida Chapter, No. 54, Order of the Eastern Star will meet Saturday evening, May 3, at the Masonic hall for their regular meeting. A social hour with refreshments will follow the business session.

CITY BRIEFS

Mr. and Mrs. Claude Smith, Evelyn, Edith, and Bruce returned Tuesday from Owosso and Port Huron where they spent several days visiting relatives.

Mr. and Mrs. Paul Marchant, 507 Alger Ave., are the parents of a ten pound daughter, born Monday, April 28.

THEATRES

Fans of Dorothy Revier will have an opportunity to see that beautiful star display her terpsichorean grace in "Murder on the Roof," the Columbia all-talking mystery thriller at the Gero Theatre on Thursday and Friday.

II. Coming Through the Rye—Eighth graders.

Helen Crawford, Elsie Johnson, Ruth Skogquist, Viola Danielson, Olive Desotelle, Helen Wiltzius, Eleanore Fulton, Lillian Skogquist, Nancy Major, Dorothy Kallerson, Vivian Bjorkman, June Snyder, Irene Slye, Marie Olson, Claire Sword, Ellice Baker, Mildred Kasen, Helen Latimer, Shirley Pease, Ruth Lundstrom, Lillian Martinson, Gertrude Carter, Helen Mae Brown, Dorothy Van Horn, Evelyn Champion, Mildred Olson, Inez Newman, Mildred Gabrielson, Ruth Wilhelm and Naomi Coy.

III Strawfoot—Ruth Moore and Betty Pettit.

IV. Did You Ever See a Lassie —Seventh grade.

Genevieve Rhode, Betty Schwahn, Dorothy Lee Johnson, Lenore Olson, Adele Martinson, Marie Larson, Gladys Wickman, Myrtle Hawkinson, Helen Bjork, Odette Lausen, Marjory Froberg, Marion Rasmusson, Mildred Larson, Nellie Smith, Irene Wickman, Charlotte Pease, Vera Brodene and Marie Miron.

V. Wedding of the Painted Doll—Nan Farley.

VI. Tri Scottische—Ninth and Tenth grades.

Ruby Rasmusson, Wave Bezner, Jeanette Shannan Ethel Tucker, Helen Gamache, Florence McGee, Adeline Styhanic, Helen Ackley, Margaret Tillman, Eva Lauson, Dorothy Tumath, Melita DeLoria, Margaret Sheehan, Mary Watson, Florence Kinkella, Ellen Wicklund, Violet Olson, Dorothy Miller, Ruth Schwahn, June Rosenblum, Ethel Derwin, Ruth Kee, Agnes Mitchell, Phyllis Peterson, Virginia Goodman, Ann Zervic, Marie Bredahl, Ann Skogquist, Cornelia Martin, Mae Russell, Mae Potvin, Dorothy Broechart, Lucille Antcliffe, Sophia Weingartner, Gerville Raiche, Gertrude Kee, Mildred Anderson, Adeline Johnson, Hilda Swenson, Mildred M. Anderson, Jeanette Brown, Mildred Marshall.

VII Petite Tonkonaise.

Ruth Warner, Lorraine LaFramboise, Eileen Richard, Kathyrn McDiarmid, Mickey Neveaux, Dorothy Ford, Edith Tang.

VIII. Mountain March—Parochial school, seventh and eighth grades.

Margaret Weingartner, Rose Schrock, Virginia Krout, Mary Cannon, Helen Masterson, Bernadette LaCasse, Theresa Olive, Loretta Duchaine, Jeanette Paquin, Bernice Carrier, Nora Reynolds, Thresa Kennedy, Beatrice Jahnke, Eva Thivierge, Mable Ward, Margaret Smith, Margy LaBombard, Mildred Menard.

IX. Valse—Senior high girls.

Ruth Moore, Dorothy Miller; Betty Pettit, Regina Formoe; Kathryn Fulton, Margaret LaFavver, Lucille Olson, Ruth Minnick; Elsie Olson, Winifred Jackson; Mildred Kjellander, Gladys Baldwin; Grace Norton Cyrilla Minnie; Dorothy Hood Jane Neveaux; Opal Gamble Vivian Norton.

X. Colleen—Irish dance.

Betty Schwahn, Margy Farley, Jane Warner.

XI. La Valse Classique—Marion Mulvaney.

XII. La Ballerina—Ballet.

Eileen Nebel, Lucille Marshall, Jeanette Brown, Helen Coon, Mildred Marshall.

XIII. Pirates—Betty Pettit, Dorothy Miller, Ruth Moore.

XIV. Recessional.

Twenty-one of the girls taking part in the festival are members of Miss Haller's dancing classes. They are: Ruth Moore, Betty Pettit, Dorothy Miller, Regina Formoe, Betty Schwahn, Lucille Marshall, Eileen Nebel, Kathryn Ruth Warner, Jane Warner, McDiarmid, Eileen Richards, Mickey Neveaux, Jeanette Brown, Edith Tang, Mildred Marshall, Lorraine LaFramboise, Marjory Farley, Helen Coon, Dorothy Ford, Nan Farley and Marion Mulvaney.

Provision for costuming the large group is now under way. Many of the girls are making their costumes in school, Miss Mabel Harris, head of the domestic science department, allowing the girls to use their sewing periods in making them.

Jane Neveaux is ill at the home of her parents, Mr. and Mrs. M. J. Neveaux, 306 South Ninth street.

Additional Gladstone News Will be found on Page 8.

Confirm Class Of 62 at All Saints Church Tonight

A class of 62 will be confirmed this evening at confirmation exercises in the All Saints church of this city. Services will start at 7:30 o'clock.

The services will be conducted by the Right Rev. Paul J. Nussbaum, D. D., bishop of the Marquette and Sault Ste. Marie diocese, who will administer the Sacrament. He will be assisted by Rev. Fr. Maier and clergy of this vicinity.

From here Bishop Nussbaum will go to Escanaba where he will conduct services at the various churches on Friday and Sunday.

LIST 62 ON HONOR ROLL

Large Number on Select List at All Saints' School

Sixty two pupils of the All Saints' Catholic school are on the honor roll for the period just completed, according to the list made public yesterday.

Honor students are:

Eighth Grade

Albert Toussaint, Francis Weingartner, William Lynaugh and Beatrice Jahnke.

Seventh Grade

Michael LaPine, Theresa Kennedy, Virginia Kraut, Madonna Derosha, Joseph Lynaugh, Marvin Olive and Chester Marrier.

Sixth Grade

William Weingartner, O'Neil D'Amour, Gratton Harris, Julia Bankowski, Mildred Boden, Sylvia De Yanke, Florence Jackovich, Mary Krueger, Joseph Cannon, Walter Scott, Robert Carrington, Sophia Zervic, Raymond Louis, Marie Orton, Grace Waeghe, Ray Ackley and Raymond Grawey.

Fifth Grade

Alice Roland, Bernadette Stephen, Earlodean Ward, Veronica Thiverge, Clara Ducheney, Blondina DeMunter, Eva Thibault, Donald Kennedy, Ernest Meyskins, Patrick Cannon, Kenneth Cannon, Adolph Girard and Arnold Vanderburg.

Fourth Grade

Ronald LaCasse, Albert Tibergien, Jackie Willis, Dorothy Butler, Alice Gobert, Floyd Van De Weghe, Virginia Roland, and Theresa Louis.

Third Grade

Patricia Mottel, Betty DeKeyser, Marie Sandonay, Jerome Waeghe, Louis De Yanke, Martin Rose, Bernard Van Der Schueren, Joseph Carrington, Ione Lucier and Bobby Harris.

Second Grade

Elode Valind, Lenora Beauchamp and Kenneth McNair.

PACKED HOUSE SEES MINSTREL

Legion Production Highly Pleasing; Second Show Tonight

The Legion Minstrel played to a capacity house at its opening performance last night at the Rialto auditorium and lived up fully to all advance predicitions that were made for it. From the opening welcome to the final curtain, the production proved highly pleasing to the large audience.

The novel method of presentation, seating end men and members of the chorus around tables in an outdoor garden, instead of the customary circle style, proved a decided success.

The vocal sols, quarte numbers and choruses were well presented and received. Direction of the chorus work was made by Attorney G. R. Empson.

The afterpiece "Mammy Cotton's Home" by the Fisher brothers, Robert, Ted, Richard and Warren, assisted by Earl Fisher and Ben Chatfield, delighted the audience.

Two numbers that made decided hits were "Tain't No Sin," by Richard Fisher and "Five Feet Two" by Warren Fisher. Both of the youthful minstrelers have fine voices and displayed unusual talent for their age.

No little part of the show was the snappy line of chatter and rapid fire gags kept up by Ben Chatfield, Percy Cameron, Gale Wescott and Walter Olson, end men, which had members of the audience holding their sides.

Several specialties were also pleasing. C. O. Ebling, Soo Line agricultural agent, put on a musical act that proved himself a talented musician and entertainer. Two dances, a group dance by a number of high school girls, and a dancing duet by Ruth Moore and Betty Pettit also made big hits.

Musical accompaniments were played by Billy Girard and his Deep Water Five.

A second performance will be given this evening and according to reports, a second capacity house will greet the show.

Mrs. Jane LaChapelle, Waukesha, Wis., is visiting here with her daughter Mrs. John Devost, Dakota avenue.

Buckeye Jollies
Will Dance at
Brampton, Sat., May 3
BILLY GIRARD AND HIS DEEP WATER FIVE,
a six-piece band,
will furnish the music
A good time assured all
Admission, 50c—Ladies Free

(Associated Press Financial Writer)

New York, April 30. (AP)—The stock market was called upon to absorb renewed flurries of selling today, but managed to carry yesterday's late rally substantially farther, despite rather unsettling news developments. The volume of trading declined sharply, aggregate sales of 4,553,360 shares falling approximately 900,000 short of yesterday's.

Announcement of the long-rumored reduction of the Studebaker annual dividend rate, which was reduced from $5 to $4, reports of cuts in prices of pig iron and steel, a sharp break in the London copper market, and a substantial falling off of the movement of revenue freight as reported for the week-end ended April 19, were unpleasant potions which the market had to swallow. Iron Age reported that steel operations are averaging at 78 per cent of capacity, as reduced from 80 per cent last week.

Coppers Heavy.

Coppers and rails were again conspicuously heavy, several recording new lows for the year or longer, but these issues rallied with the rest of the list in the last hour.

Speculative sentiment remained highly mixed. Several commission houses advised in-and-out traders to take profits on advances in expectation of further irregularity, but confidence in the longer term prospects remained unshaken. Wall Street understands that there has been good investment buying on declines.

Credit conditions remained stationary, call money holding at 4.34 to 4.35. Foreign exchanges were fairly steady, although sterling cables sagged 1-16 to $4.86 3-16.

JAGGER NAMED MART EDITOR

Stan W. Prenosil Quits As Financial Head of Associated Press

New York, April 30. (AP)—Claude A. Jagger has been appointed financial editor of the Associated Press, effective tomorrow, succeeding Stanley W. Prenosil, resigned.

C. A. JAGGER

Mr. Jagger became a member of the New York City news staff of the Associated Press three years ago, after several years experience on New York State and New England newspapers.

For the past year and a half, Mr. Jagger has been writing a daily financial and stock market review for Associated Press morning papers. In his new capacity, he will write a signed daily review for afternoon papers, heretofore written by Mr. Prenosil, and other financial articles.

Change for Cooley.

John L. Cooley, who has been writing the Associated Press review of the bond market, will write and sign the financial reviews for morning papers. Mr Cooley became a member of the financial staff a year ago, after several years of service with the Associated Press in New York Boston and Albany.

Donald C. Bolles, who has been preparing financial features, is transferred to the general financial news staff, and will write and sign the bond reviews formerly written by Mr. Cooley. Mr. Bolles was Associated Press correspondent at Milwaukee until a year ago, when he was transferred to New York. He was previously connected with Associated Press Bureaus in Chicago and Detroit, and has had several years experience on middle western newspapers staffs.

CHICAGO BUTTER.

BY JOHN L. COOLEY,
(Associated Press Financial Writer)

New York, April 30. (AP)—The bond market closed the fourth month of the year today with another encouraging display of firmness. Sales for the session fell below yesterday's, but it was significant that the convertibles' contribution to the total was only moderate and that a large proportion of the buying was in the rails and a few high grade utilities.

Life in Liberty 4.

The additions to the investment portfolios of banks during the past month is seen as a most important development. Furthermore, the market recently has shown a better resistance to new offerings which so far this year have made an enormous increase over the bond financing in 1929. New issues in April declined somewhat less than $100,000,000 from the $650,000,000 March aggregate.

The recent dullness in the United States Governments persisted. The only issue showing any life was the Fourth Liberty, which closed unchanged.

Completion of the Fox Film Corporation's refinancing plan is scheduled for tomorrow with the offering of $55,000,000 issue of 6 per cent one year gold notes, the proceeds of which are to be used for the payment of maturing obligations. They will be sold at par.

DAY'S MARKETS IN BRIEF

New York, April 30. (AP)—

Stocks irregular; coppers again at new low.

Bonds firm; investment issues meet better inquiry.

Curb irregular; Vacuum Oil at new high.

Foreign exchanges steady; Sterling eases slightly.

Cotton higher; light offerings and covering.

Sugar easy; lower spot market.

Coffee declined; easier Brazilian markets.

Chicago:

Wheat lower; forecast large contract deliveries.

Corn easy; beneficial showers southwest.

Cattle steady.

Hogs lower.

DIVIDENDS.

New York, April 30. (AP)—The Studebaker Corporation today reduced its annual dividend rate from $5 to $4 on the common stock, directors declared a quarterly disbursement of $1 payable June 2 to stock of record May 10.

At the same time the Atlantic Gulf and West Indies Steamship Lines resumed payment of dividends on the common by voting a $1 disbursement payable May 31 to holders of record May 10. The last payment on common was made in February 1921 at the rate of $5 annually.

Explaining the action of the Studebaker directors in reducing the $5 annual rate, which had been in effect since December 1925, A. R. Erskine, president, said that the restricted volume of available business and consequent decline in profits made conservative dividend disbursements advisable this year.

Edison produced the phonograph 53 years ago and the first recorded words were: "Mary had a little lamb."

WALL STREET BRIEFS

New York, April 30. (AP)—Sale of a membership of the New York stock exchange at $479,000 has been arranged. The price is $1,000 lower than the previous sale. The Guaranty Trust Company received $3,000,000 in gold today $2,000,000 from Rio De Janeiro and $1,000,000 from Uruguay.

North American Light and Power Co., has acquired the Shell Petroleum Corporation's gas acreage in the Farillo field of Texas. The company is completing plans for piping of gas from this property to its lines in Kansas. Under this arrangement North American will sell all the oil derived from this acreage to Shell Corporation and distribute the natural gas through its own outlets.

Physical consolidation of the Equitable Trust Company of New York and the Interstate Trust Company with the Chase National Bank will become effective after the close of business May 31, Chase directors announced after a meeting today. The three banks will open Monday, June 2, as a consolidated organization under the name of the Chase National Bank of the City of New York.

International Paper Company, subsidiary of International Paper & Power Company, has started construction of a Kraft Paper mill at Panama City, Fla. The mill will have an initial daily capacity of 200 tons.

Charles Donnelly, president of the Northern Pacific Railway, said today that it is the concensus of opinion of the board of directors that every effort be made to reach a decision on the Interstate Commerce Commission's conditions regarding the Great Northern-Northern Pacific merger and that a decision is expected within three or four weeks either to meet the conditions of the commission or drop the entire proceedings.

EARNINGS.

New York, April 30. (AP)—The Shell Union Oil Corporation and subsidiaries today reported consolidated net earnings for the fiscal year ended December 31 at $17,573-249, equal to $1.27 a share on the common stock. This compares with $20,395,021, or $2.04 a sshare for 1928. During the latter year the companq had no preferred stock. Dividend requirements on the amount of the latter outstanding in 1929 were $1,045,00.

"Results of the year's operations were not as good as those of 1928," said J. C. Van Eck, president, "and reflect the conditions in the oil industry during the year."

Wheeling Steel reported net of $1,253,224 for the first quarter this year, equivalent to $1.49 a share on the common, as compared with $1,795,243, or $2.86 a share for the corresponding period last year.

Crown Cork & Seal, of Baltimore, Md., reported profit for the first quarter before taxes of $370,537, as compared with $123,225 for the same period last year.

CURB RALLIES TOWARDS CLOSE

New York, April 30. (AP)—The curb market alternately blew hot and cold today but closed with a brisk rally under the leadership of public utility and oil shares. Trading was only moderately heavy in volume, the day's sales running just above 1,000,000 shares. Unfavorable steel and copper trade news cast a damper on bullish enthusiasm, but strong support developed whenever "bear" attacks threatentd to unsettle the market.

American Superpower was again turned over in large volume, closing a point higher at 38 after having crossed to within a fraction of the year's peak.

Announcement of higher gasoline prices in eastern territory coupled with recurrent reports of an early advance of crude prices stimulated the demand for the oil shares. Gulf closed 166 to within a fraction of the year's high for a gain of nearly 6 points and Vacuum sold above 97 for the first time this year.

Columbis Pictures reached new high ground on reports of the completion of an important deal with Radio-Keith-Orpheum Loews warrants and debenture rights also reached new high ground in response to optimistic earnings estimates.

Investment Trust and Holding Company shares received better support, but the gains were small.

The New York City Transit Commission has ordered the Interborough Rapid Transit Company to put 289 new cars in operation by Oct. 1 next. It is estimated the cars and equipment will cost between $12,000,000 and $14,000,000.

PERE MARQUETTE.

Detroit, April 30. (AP)—J. J. Bernett, president of the Pere Marquette Railway, announced tonight that total operating revenues of the road for the year ending Dec. 31, 1929 amounted to $48,468,439.42, exceeding the railway's previous high point in 1923 by more than $2,500,000.

The statement showed that compared to 1928 last year's record revealed a gross gain in operating revenues of $2,706,871.34. Operating expenses of 1929 amounted to $34,345,301.12 as compared to $31,036,347.37 the previous year, or an increase of $3,308,953.75.

The net surplus of the railroad for 1929 was $7,4[illegible]8,459.96. This figure compares with a 1928 net surplus of $8,466,971.31. The recession of $1,008,511.35, according to officials of the road, is accounted for by a greater outlay for track maintenance, road beds, building bridges and other work amounting to $2,346,354.98 during 1929.

CHICAGO GRAIN.

Chicago, April 30. Prospective big deliveries on May contracts tomorrow acted as a bugbear to the wheat trade, and lower prices formed the rule. Quotations on May wheat here outdid the bottommost record heretofore touched this season. The outlook was that first-of-the-month deliveries of wheat in Chicago would total 5,000,000 bushels, and there were indications of liberal sized deliveries also at Minneapolis and Kansas City. But the bulk of the grain thus disposed of at the three markets named was expected to be taken over by government sponsored agents.

Closing quotations on wheat were nervous, ½ to 1 5-8c a bushel lower than yesterday's finish. Corn closed irregular, 5-8c off to 3-8c up, oats ¼ to 3-4c down, and provisions unchanged to a setback of 5c.

Corn and oats were responsive to wheat' weakness, but country offerings of corn were small, and reports indicated that warmer weather is needed over the corn belt to permit germination of the crop.

Provisions sympathized with downturns in the value of hogs.

Closing indemnities: Wheat—May .99½, 1.04⅛; July 1.02 7-8 to 1.03, 1.06 3-8 to ½; Sept. 1.06 5-8 to 3-4; 1.09 3-4 to 1.10; Dec. 1.11¼ to 3-8; 1.14½. Corn—May .79, .81½; July .81 3-4 to 7-8, .83 3-4 to 7-8; Sept. .83½, .85 3-8 Dec. .77 5-8, .78 7-8.

Paris' latest is "python-skin" pajamas.

The Circuit Court for the County of DELTA: In Chancery.

Richard Herrick and Sarah F. Herrick,
Plaintiffs,
—vs.—
John Lawrence Fleming and Anne Fleming.
Defendants.

ORDER OF PUBLICATION

Suit pending in the Circuit Court for the County of Delta, in Chancery, at the City of Escanaba, in said County, on the twenty-third day of April, A. D. 1930

It appearing from the affidavit on file, that the residence of the defendant, John Lawrence Fleming, is unkown, and that it cannot be ascertained in what state or country he resides.

It is ordered that he appear and answer the bill of complaint filed in this cause within three months from the date of this order, or said bill will be taken as confessed, and that this order be published as required by law in the Escanaba Daily Press, a newspaper printed, published and circulated in said county.

DENIS McGINN,
Circuit Court Commissioner in and for Delta County.
H. J. RUSHTON,
Attorney for Plaintiffs

WHEN AND WHERE TO PLACE YOUR ADS

The Classified Advertising Department is situated at
600-602 Ludington St.

These offices are open to receive advertisements from 8 a. m., to 6 p. m., daily. All ads received up until 6 p. m. will appear in editions the following day.

PHONE YOUR CLASSIFIED AD TO 693

The ad taker will gladly assist you, if desired, so that the copy for your ad is prepared in such a manner as to bring the greatest results for you.

CLASSIFIED ADVERTISING INFORMATION

Errors in advertisements should be reported immediately. The Daily Press will not be responsible for more than one incorrect insertion.

All ads are restricted to their proper classification and to the regular Daily Press style of type. The publishers reserve the right to edit or reject any classified advertising copy.

Advertising ordered for irregular insertions takes the one time rate. No ad is taken for less than a basis of three lines. Count six average words to the line. An average word contains six letters.

Accounts unpaid after 20 days will not be granted further credit.

Charged ads will be received by telephone, and if paid at the Daily Press office within six days from the first day of insertion cash rates will be allowed.

Ads ordered for three or six times and stopped before expiration will be charged for only the number of times the ad appeared and adjustment made at the rate earned.

Tuffy Griffiths Evens Count With Jack Gagnon

LARGE CROWD SEES CONFLICT

Winner Boxes Cautiously, Not Willing to Take Many Chances

BY CHARLES W. DUNKLEY, Associated Press Sports Writer.

Chicago, April 30. (AP)—Tuffy Griffith bounded back as a prospective challenger for the world's heavyweight championship tonight by defeating Big Jack Gagnon, his knockout conqueror a month ago, in their ten round return engagement in the Chicago Stadium.

The battle, which stirred the imaginations of the customers, was witnessed by a capacity crowd of 20,550, with gate receipts of $73,684.

Gagnon, the surprising demoralizer of Griffith in their first encounter in which the Sioux City tough one hit the canvas five times, was no demoralizer tonight. Instead, he found the bounding, dancing Griffith an elusive target. Griffith kept his inviting chin tucked close to his wish bone and most of the terrific right hand wallops Gagnon aimed at his jaw swished over his head, or were short, falling harmlessly into the atmosphere.

Decision Unanimous.

Griffith, boxing cautiously, won by his superior speed and his ability to step around the Boston ex-sailor. The decision of the referee and judges was ananimous, although a great number of spectators dissented, greeting the verdict with boos.

Gagnon forced the fighting and was dangerous until the last punch went flying through the air.

Gagnon had a weight advantage, scaling 188½, while Griffith weighed in at 187.

Griffith's victory erased the most serious blot on his record since he became a heavyweight.

In the ten round semi-final Joey Medill, Chicago, lightweight, was awarded the decision over Stanislaus Loayza, Loayza weighed 139 and Medill 137¼.

INT'L BANKING PLAN IS SOUND, SAYS TRAYLOR

(Continued from Page One)

nothing more comes from its organization than the provision for a meeting place for the governors of the banks of issue of the principal countries of the world, on whose shoulders rest the responsibility for the maintenance of sound financial structures within their borders, and for the stability and free movement and credit of the world, there will have been given to the world a guarantee which it has not had before—an assurance that the best inteligence in the world of finance and credit is being directed cooperatively toward the best interests of all concerned."

Easteman Also Speaks

Just before Mr. Traylor spoke, Lucius R. Eastman of New York, American member of the economic committee of the League of Nations, gave an intimate description of the work of that committee. An amusing incident occurred at the outset of his speech when he remarked that originally he had advocated prompt entry of the United States into the League of Nations but that he was glad this had not happened. There was a ripple of hand clapping. Mr. Eastment went on to say, however, that he was afraid that if America had entered, the league would not be in existnce today and he believed the league was a very useful institution. He declared that with typical American impatience it might have been sought to do things over night whereas he believed much more had been gained in the last ten years by deliberate steps. Mr. Eastman contended that irrespective of whether the United States ever enters the league it is important for American business men to know what is going on in the various committee under the jurisdiction of the league or else American business men would wake up some day to find that arrangements had been made between various countries which would not be satisfactory to American interests. He suggested that the wiser way would be to sit in on the discussion and direct the economic program into channels that fitted in with the objectives of American business.

Robert P. Lamont, secretary of commerce, and Julius H. Barnes who is the head of the National Business Survey conference called at the direction of President Hoover, sat at the speaker's table and heard the speeches.

TIGERS BREAK LOSING STREAK

Detroit Cops Concluding Game of Series With Chicago, 6-4

Detroit, April 30 (AP)—Although outhit thirteen to eight, the Detroit Tigers managed today to break their losing streak and walk away with the third and concluding game of a series with the Chicago White Sox by a score of six to four.

Elan Hogsett pitched the limit for the Tigers, while Donie Bush was forced to send four men to the mound, Blankenship, Caraway, McKain and Walsh.

Bill Cissell played a big part in the Sox offensive, getting three hits in four times at bat, each hit driving in a run. Dale Alexander and Harry Rice each batted in two runs for the Tigers.

MALONE HOLDS PIRATES DOWN

Star Cub Hurler Allows Seven Hits But Keeps Them Scattered

Chicago, April 30 (AP)—Pat Malone gave the Pirates a paltry 7 hits here today to win his game for Chicago 5 to 2.

Percy Lee Jones, an ex-Cub, did well on the mound but was hit in bad spots. English and Wilson hit homers, the latter's going twenty five feet over the left field wall.

It was Malone's third victory in four starts.

First Defeat for Spartan Athletes

East Lansing, April 30 (AP)—Michigan State lost its first baseball game in five starts here this afternoon when Iowa State Teachers nosed out a 5 to 4 victory by pounding Kahl, veteran Spartan hurler, for 13 hits. Heintz, Iowa pitcher, let State down with seven blows.

State, starting off with a two run lead in the first, was overcome in the fourth by the visitors after they had tied the score in the previous inning.

Iowa ----- 002 100 011–5 13 0
State ----- 200 001 001–4 7 2

Heintz and Weyant; Kahl and Barnard.

Red Sox Trim A's In Last Game, 7-3

Boston, April 30. (AP)—Milton Gaston let the world champion athletics down with six hits here today and the Red Sox won the third and last game of the series 7 to 3.

The Sox batters had their hitting clothes on and batted four Philadelphia pitchers with more or less effect. Tom Oliver, Sox rookie, led the attack with two doubles and a single.

Jack Dempsey On Operating Table

Rochester, Minn., April 30 (AP)—Jack Dempsey, former heavyweight boxing champion, today underwent an operation, apparnetly as a step in physical checkup preceding a decision as to wether he is to attempt a "comeback." He was resting comfortably tonight.

Physicians said the operation was of a minor nature and added that they expected Dempsey to be confined to his bed only a few days. He may leave the hospital within a week or 10 days.

Although no statement regarding a "comeback" attempt was made by the former champion on his present visit here, it was recalled that on a previous trip for an examination a few weeks ago, Dempsey said he expected to begin training soon to determine whether he could round into the proper physical condition.

At that time the Manassa Mauler said he would have a complete physical inventory taken before he reached a definite decision as to whether he would consider reentering the ring.

Phils Fall Before Boston Attack, 9-3

Philadelphia, April 30 (AP)—Hammering Sweetland and Willoughby for eight runs in the first four innings, the Braves defeated the Phillies, 9 to 3, here today in the closing game of the series.

Brandt who hurled for the Braves was effective and outside of Klein's home run in the fourth, did not allow a local player to reach third base until two outs in the ninth, when the Shotton men put together their final two runs.

Klein's homer was his fourth of the season.

YANKS SMASH SOLON STREAK

Only 2 Extra Base Hits Are Made During Entire Game

Washington, April 30 (AP)—The Washington Senators winning streak was broken here today, scoring only five hits while the Yanks were taking nine runs to win the third game of the series.

Pipgras pitched nine innings of perfect baseball, allowing only five hits, besides batting in two runs. The Yankees took a three start in the first frame and broke through in the eighth for five more tallies. Only two extra base hits were mage during the game—two-baggers by Koenig and Goslin.

GAME POSTPONED

Old Man Weather socked the diamond ball aspirants of the Knights of Columbus in the eye last evening and the Kaysees' regular practice session was postponed until this evening. Al players from both teams are requested to be present at this session.

To Discuss Plans For Ball Loop At Gladstone Sunday

Munising, April 30.—(Special)—A meeting for the purpose of organizing a six team amateur baseball loop in the peninsula was held at the Legion club here Sunday. Only Munising fans were present but word was received from Ishpeming, Gladstone, and Manistique in which representatives from these towns expressed the fact that they are in sympathy with the plan and will attempt to form teams for the loop.

It was decided to postpone definite action until a meeting which will be held in Gladstone next Sunday is held. The meeting scheduled for 2.30 o'clock is for the purpose of discussing plans for the formation of a six-team peninsula circuit. Any information relative to the proposal can be secured from Mervin Kircher, Gladstone, one of the backers of the plan.

Giants No Match For Brooklyn, 9-4

New York, April 30. (AP)—The Brooklyn Robins picked up their heavy hitting today where they left it Tuesday and pounded their third straight victory over the Giants by a 9 to 4 score.

The Robins made eleven hits. The Giants could do nothing with the delivery of Dazzy Vance and collected but six safe blows.

The score: R H E
Brooklyn .402 200 020—9 11 2
New York 000 000 202—4 6 0

Printers Team to Practice Tonight

The Printers diamond ball team will hold a practice session at the recreation field, adjoining the high school, at 6 o'clock this evening, Manager Cliff Beaudin announces.

The type-slingers have been holding regular workouts during the last week to get in shape for their first National League game with the Knights of Columbus club Monday evening.

RIFLE CLUB TO HOLD A MATCH

U. P. Marksmen Invited To Event at Range Near Escanaba

Just to get things started among upper peninsula rifle enthusiasts, and provide an opportunity for practice before participating in National Rifle Association events, the Escanaba Rifle club has arranged to hold a small bore, .22 caliber rifle match Sunday, May 25. The event will be at the rifle club range five miles west of Escanaba on US 2-41, and will be open to any four-man team in the peninsula, each community being allowed to enter as many teams as they wish.

The following conditions have been announced for the match:

Courts—20 shots at 50 yards; 20 shots at 100 yards.

Rifles—Any .22 caliber with metallic sights.

Entry Fee—$1 each range; also $1 to grand aggregate to those who wish to enter; $4 for each team.

Prizes—Cash; 70 per cent to first ten places.

Ties—Decided by N. R. A. system.

Individual Matches — Will comprise aggregate scores made in 50 and 100 yard team matches.

Total Matches—50 yard and 100 yard team aggregate, per team, $4; 50 yard individual, $'; '00 yard individual, $1; grand aggregate, $1.

Each individual may enter only those matches as desired.

Conditions—No sighting shots or artificial rest. All shooting done from prone position, slings allowed.

GIANT OFFICER ILL

New York, April 30 (AP)—James J. Tierney, secretary of the New York Giants of the National league is seriously ill in a New York hospital, suffering from an attack of gall stones. An operation may be necessary. He was stricken at the Polo Grounds yesterday.

Spartan Gridmen To Open Season Early This Year

East Lansing, Mich., April 30. (AP)—Michigan State and Michigan Normal will compete on the gridiron here next Saturday morning for what probably will be the first football game of the 1930 season in this country.

The game, regarded as a practice affair by both institutions, will be played behind "closed gates." State's squad has been going through two scrimmages each week.

Wolverines Defeat Chicago In First Game In Six Years

Ann Arbor, Mich., April 30 (AP)—Michigan defeated Chicago, 4 to 3, today in the first baseball game between the schools in six years. Chicago's errors pushed over three runs, while a triple by Truskowski started the other counter.

Montague, wild and ineffective, was removed in the eighth after a single, a double and a wild pitch scored a run. Compton allowed one hit, scoring another run.

Score by innings: R H E
Michigan ... 000 300 10x—4 4 3
Chicago .... 000 001 020—3 9 5

Montague, Compton, Truskowski; Knowels and Wingate.

Cincinnati Defeats Cardinals, 4 to 3

Cincinnati, April 30 (AP)—Heavy hitting by Jersey Joe Stripp, playing his first full game of the season, today earned the Reds a 4 to 3 decision over the Cardinals.

Stripp tripled in the final inning and drove in Meusel with the winning run. Previously Stripp doubled in the fourth inning during which the Reds scored twice. Red Lucas won his first game of the year.

St. Louis ... 001 010 100—3 11 1
Cincinnati .. 001 200 001—4 7 1

Johnson and Wilson; Lucas and Motch.

1. The very foundation of "Canada Dry" is "Liquid Ginger"—which we make from selected Jamaica ginger root by a special process.

2. This process is exclusively controlled by us and, unlike any other method, retains for "Canada Dry" all of the original aroma, flavor and natural essence of the ginger root.

3. Therefore, this fine old ginger ale has a basic excellence which belongs exclusively to it and is the property of its makers.

YOU KNOW WHY THIS IS A MARVELOUS BEVERAGE

THESE are the reasons for its exhilarating, stimulating qualities. It has vigor. It has health. And it wins the approval of sportsmen—the lean, lithe, active men and women of this country who respond to excellence and the rigor of the game well played. It is served in countless homes. Is it served in yours?

HEROES ARE MADE — NOT BORN

ANNUAL SCHOOL POLL JUNE 9TH

F. J. Earle Is Candidate For Re-election as Trustee

Announcement has been made of the annual school election for the school district of the city of Escanaba, which will be held Monday, June 9. At this time one trustee will be elected for a term of four years, beginning July 1, 1930. The trustee whose term expires this year is F. J. Earle, 412 South Eighth street, who will be a candidate for re-election.

Any person desiring to become a candidate must file a petition with Louis N. Schemmel, secretary of the board of education, containing at least fifty names of qualified registered school electors of the district; said petitions must be filed not less than fifteen days nor more than thirty days prior to the date of election.

Eligibility

All persons having children of school age, between the ages of five and twenty, and all persons owning property in the city of Escanaba assessed for school taxes are eligible to vote. In case the real estate is in the joint name of husband and wife, both husband and wife are eligible to vote.

No person shall be entitled to vote unless they shall be registered as a school elector. The registration day is on Saturday, May 10, between the hours of 3 and 8 p. m.

Additional provision has been made so that qualified electors may register with the secretary of the board of education at the high school building on Saturday, May 10, Saturday; May 24, and Saturday, June 7, besides the regular registration day, namely, May 10.

Marquette Busses Are Running Again

With the resumption of service by the Flanigan Storage company's line between Escanaba and Marquette, all regular buses will be in operation again today to and from this terminal. The Marquette bus, which has not been running for several days because of road conditions, will make its first trip this afternoon, leaving this city at 3:45 p. m. After today, two round trips will be made daily.

All buses operating out of here are making their local headquarters at the Union Bus Station in the Wolverine Motor company's building, Ludington street.

The schedule of departures from the station on the various lines is as follows:

Flanigan Storage company, Escanaba-Marquette line, 8:30 a. m. and 3:45 p. m.

Gray Transportation company, Escanaba, Iron Mountain, Menominee, 7:40 a. m., 1 p. m. and 3:45 p. m.

Escanaba-Northland bus line, 7:30 a. m. and 1:30 p. m.

Lampi Bus Service, Escanaba-Munising line, 7 a. m. and 2:30 p. m.

U. P. Briefs

Reforestation Urged

Iron River, Mich.—Steps to induce the government to develop the federal forest reserve in Iron, Ontonagon, Houghton and Gogebic counties, known as the Keweenaw Purchase unit, were taken at yesterday's meeting of the Lions club.

According to a report by Aaron Kinney, the government has been slow in acquiring land within the unit, and plans to develop it have been temporarily held up.

A committee composed of Kinney, George T. Breen and D. H Campbell was appointed to work in conjunction with other comiturenu mittees toward the end of expediting the development. The committee will confer with C. S. Doering, federal ranger at Kenton, who has charge of the project.

Must Get Licenses

Iron Mountain, Mich.—Ninety-six Iron Mountain storekeepers to whom soft-drink licenses were issued by the city last year must renew their licenses by Monday, May 5, or risk an official visit from Chief of Police W. O. Ferzacca, according to the chief today. The new city charter gives he police chief plenty of leeway in his supervision of these establishments.

The 96 licenses issued during the past fiscal year include all restaurants, soft-drink parlors and establishments of any kind where soft-drinks are sold by the bottle or glass. The chief does not entend to send out official notifications, he said today, relying on the wisdom of the proprietors themselves to come in voluntarily and renew their permits.

To Enlarge Terminal

Menominee, Mich.—Further addition to its terminal property here was made by the Ann Arbor system today with the purchase of four acres of land from the Hoskin Morainville Paper company. The transaction for the carferry company was handled by S. E. Cotter, St. Louis, vice president of the Wabash railroad, owners of the A. A. line.

Reward for Slayer

Menominee, Mich.—One hundred dollars reward has been offered for information leading to the arrest and conviction of the person of persons who murdered Alexander Jatkowski in his home on Wanek avenue the evening of April 6. The reward has been offered by the widow, Mrs. Rose Jatkowski, 61, and her son Anthony Jatkowski.

Fraternal

Rebekah Rummage Sale.

Phoebe Rebekah lodge is holding a rummage sale Wednesday, May 7, in the dining room of the I. O. O. F. building, North Tenth street. Those who have articles for sale are asked to call 903-J or 442-W.

R. N. A. Meets Tonight

Arbutus Camp 652, Royal Neighbors of America, will hold their regular meeting at 7:30 this evening in Grenier's hall. A good attendance is desired.

AMUSEMENTS

AT THE DELFT

No mental picture can be drawn of "Happy Days," all star, all talking Fox Movietone song romance which began an engagement at the Delft theatre yesterday. It is the most lavish picture yet to reach the screen and the cast includes such well known personages as Will Rogers, Janet Gaynor, Charles Farrell, Walter Catlett, George Jessell, William Collier,Sr., Victor McLaglen, Edmund Lowe, J. Harold Murray, El Brendel, Warner Baxter, George MacFarlane, Ann Pennington. Marjorie White, Sharon Lynn, Dixie Lee, Richard Keene, James J. Corbett and a host of other celebrities.

AT THE STRAND

The fancy dress artists ball, which is one of the big scenes in the Tiffany production, "Redheads Preferred," which is now showing at the Strand Theatre, was held on Hallowe'en and more than five hundred extra men and women, instead of spending the evening at some friends, were able to enjoy the evening's revelry at the Tiffany studios. The fun leader was the inimitable Raymond Hitchcock, who plays one of the leading roles in the picture.

The United States leads the world in tobacco production, with Brazil, second, producing only one tenth as much.

ZERBEL NAMED JUNIOR HI HEAD

Will Be Principal When New School Opens in Fall of 1931

The appointment of Clarence Zerbel, science and mathematics instructor at the Escanaba high school, to be principal of the new junior high school when it opens in the fall of 1931, was confirmed by the board of education at its meeting Tuesday evening.

Mr. Zerbel has been teaching here four years. He is a graduate of Northern State Teachers college at Marquette, and has studied since then during the summer sessions at the University of Chicago and the University of Michigan for a master's degree.

Announcement was also made of the resignation of Miss Luella T. Hendryx as principal of the Barr school after many years of faithful and valued service as an instructor in the Escanaba public schools. Miss Hendryx has served here for 31 years, and has been principal at the Barr school for 20 years. Altogether, she has devoted 37 years of her life in the educational profession, the six other years following her graduation from the Ypsilanti Normal college being spent in southern Michigan and Wisconsin. Miss Hendryx will spend the coming year in southern California with friends and relatives.

Miss Vida Kuntze, teacher at the Webster school for the last six years, has been appointed to succeed Miss Hendryx. After leaving normal college at St. Cloud, Minn., Miss Kuntze taught at Mizpath and Oklee, Minn., and Green Bay, Wis. She is the daughter of Walter Kuntze, Spokans, Wash., who was for several years employed with the National Pole company in Escanaba.

Brunberg Bound To Circuit Court

Waiving examination, and giving bond in the amount of $500, William Brunberg, 59, of 1425 Third avenue north, was bound over to circuit court yesterday on charges of assault with a dangerous weapon and carrying a concealed weapon.

Brunberg was arrested by Escanaba police Tuesday after officers had received a call from Eugene Beck, 204 North Tenth street, stating that Brunberg had entered Beck's home and fired at him with a revolver. The bullet went wild, striking the wall and ceiling. The police found the revolver later, immersed in a paint pail in the C. & N. W. yards.

It's a 6 ply tire AT 4 PLY PRICES!

It's the Goodrich Cavalier . . . highest quality at unheard-of low prices!

HERE'S news for you . . . *big* news! A 6-ply tire . . . made by Goodrich . . . priced at figures you're used to seeing on 4-ply casings of only ordinary quality!

Six plies . . . half again the carcass strength . . . not to mention bigger air cushion, thicker tread, tougher rubber compound . . . all for less money!

Goodrich didn't make this tire overnight. They've been working on it for years. Finding ways to bring production costs down while holding quality up.

Developing, in short, a tire for car owners who want to keep first cost low . . . without taking chances on second grade quality.

Here's the result . . . the 6-ply Cavalier. Bigger . . . thicker . . . tougher. Built to master any road. And on every tire . . . that familiar, meaningful name . . . "Goodrich!" A guarantee of quality . . . of ability to take punishment . . . of freedom from tire worries.

We're featuring Cavaliers right now. Putting special prices on them. Our line is complete . . . all passenger car sizes and two sizes for trucks.

Come in to see them . . . but come quickly. They're going to move fast at these prices . . . and we wouldn't want to be out of your size when you call. Make it tomorrow . . . and play safe.
